Thank you for your interest in the South Georgia State College Foundation Scholarship program. The information you provide in the application below will be compared with the criteria of any available scholarships for which you may qualify. ***All SGSC Foundation scholarships require a written essay to be submitted along with the application. In order for you to be considered for any scholarship, you must submit your essay as part of this application. The essay should include an introduction of yourself, your future goals, and how scholarship funding will assist you in your educational goals. (500- word max).***

We will automatically consider you for all general interest scholarships, so you will only need to fill out one scholarship application.

1. Even if you are HOPE eligible or qualify for other financial aid, you are still eligible to apply for an SGSC Foundation scholarship. You must, however, complete a Free Application for Federal Student Aid (FASFA).
2. In addition to the individual criteria of any scholarship the following will be used to determine final selection of recipient:
  - Financial need
  - Other outside funding or awards being received
  - Final admission acceptance by the institution
3. Finally, please submit your application and essay before the deadline for the term for which you are applying:
  - Fall Admission: March 31
  - Spring Admission: November 30
