GRADUATION PROGRAM...Mr. Jimmy Harper (Chair), Vice President of Committee Enrollment Management & Information Technology & Committee Members
Dr. Josh Vickers was born and raised in Douglas, Ga. After graduating from Citizens Christian Academy in 2004, Dr. Vickers attended South Georgia State College where he received his Associates degree before continuing to the University of Georgia. He graduated Summa Cum Laude with a Bachelor of Science in Biology from UGA. From there, he went on to graduate from University of Florida College of Medicine where he also completed his residency. He continued to the prestigious Emory University Department of Orthopedics in Atlanta to complete a year-long fellowship training. His most recent move was home to Coffee County where he joined the medical staff of Coffee Regional Medical Center and began practicing at Orthopedic Surgeons of Georgia (OSGA) in Summer of 2018.

Dr. Vickers continues to expand his patient base, treating patients throughout South Georgia. Dr. Vickers specialties include degenerative joint diseases, arthritis, complex joint reconstruction, orthopedic trauma such as breaks and sprains, reconstruction of failed total joint replacements, sports related injuries, and general orthopedics.

Dr. Vickers resides in Douglas with a beautiful family; wife, Melissa, and three young sons. When asked why he chose to return to Coffee County, Dr. Vickers replied, “I was away from home for 12 years and when it comes to small town life, I find the saying is true: the more things change, the more they stay the same. That continuity and consistency is something I want to share with my sons. I’m grateful for my upbringing and the life lessons bestowed upon me by my family and church, and I would be proud for my children to say the same. I’m excited to be home, in South Georgia.”
