TRANSFER STUDENTS

South Georgia State College welcomes applications from students who wish to transfer to SGSC from other institutions. In addition to the items listed under “Procedures for All First-Time Students,” transfer students must provide South Georgia State College official academic transcripts from all former schools. Failure to report previous college attendance at the time of admission is sufficient cause for cancellation of the student’s enrollment and of any credit earned at South Georgia State College. Enrollment Services works individually with each transfer student to ensure the proper documents are submitted.

All academic credit attempted at previous institutions will be reviewed by the College. To be awarded an A.A. or A.S. degree by South Georgia State College, at least 18 semester hours of the academic credit used toward that degree must be earned at South Georgia State College. In unusual or compelling circumstances, students may appeal to the Vice President for Academic Affairs for exceptions. To be awarded an A.S.N. degree by South Georgia State College, all courses in the curriculum with an NURS prefix must be earned at South Georgia State College. Any exceptions must receive approval from the Dean of the School of Nursing.

Courses transferred for credit from other institutions must have an overall average of "C." Applicants who have completed fewer than 30 semester credit hours will be considered "first-time freshmen" and must meet the appropriate admissions requirements set forth for their intended program of study. Credit may be awarded for actual course work, training provided by the Armed Forces or services schools, or professional certification. The institution retains the right to determine the amount of credit to be awarded. Institutional procedures require that the credit awarded be validated by the credit by examination process on campus. Credit awarded must be appropriately related to a student's educational program at South Georgia State College.

Students who have official transcripts submitted by all former schools no later than the application deadline for the term in which they intend to enroll will be notified in writing prior to registration what credit was accepted for transfer. Students who have official transcripts submitted after the application deadline will be notified by the end of their first term of enrollment what credit was accepted for transfer.

An applicant will not be considered for admission unless the transcript of the college or university last attended shows that the student is eligible to return to that institution or unless the officials of the institution last attended recommend the applicant's admission. If two or more
calendar years have elapsed since the applicant's dismissal from the last college or university attended, however, South Georgia State College may, at its discretion, review the application through established procedures to determine whether or not admission should be granted. Students with uncompleted Learning Support requirements at their previous institution may be admitted only in accordance with the Learning Support policies and procedures established by the University System of Georgia and South Georgia State College.

An applicant transferring into an A.A. or A.S. degree program from an institution or program that did not require the Georgia Required High School Curriculum must submit a transcript of secondary school credits unless the applicant has earned thirty semester hours of core curriculum credit. Transfer students who have not met the Georgia Required High School Curriculum requirements and who have not completed the required number of hours may be admitted to the A.A. or A.S. programs only as limited admission students under the procedures established by the University System of Georgia and South Georgia State College. (More information on Georgia Required High School Curriculum is on pg. 33.)

RETURNING STUDENTS

Former South Georgia State College students wishing to be readmitted after a period of one year (three academic terms) must complete and submit a new application form to the Registrar's Office. Returning students do not have to pay an additional $20.00 application fee. Students who have attended other post-secondary institutions since last attending South Georgia State College must submit official academic transcripts from all such institutions and are subject to the guidelines detailed in the TRANSFER STUDENT section above. Students who were placed on Academic Suspension or Learning Support Suspension at the end of their last period of enrollment at SGSC must appeal to the Admissions Committee for readmission.

TRANSFER OF CORE CURRICULUM “D” GRADES TO SOUTH GEORGIA STATE COLLEGE

By University System of Georgia policy, South Georgia State College treats “D” grades earned by transfer students in Core Curriculum courses the same as “D” grades earned by native South Georgia State College students. Therefore, a “D” earned in HIST 2112, for example, at another University System institution would be acceptable for credit at South Georgia State College with the provision that the student has an overall grade point average of 2.0 (C) on all courses transferred into South Georgia State College. South Georgia State College requires a minimum grade of “C” in all area A courses. All general education courses required for the Nursing programs must be passed with grades of “C” or better.

Immunization Policy

The minimum immunization requirements for all University System of Georgia colleges and universities are established by the Georgia Board of Regents http://www.usg.edu/policymanual/section4/C334/. Specific institutions, with the concurrence of their presidents and the Chancellor, may require some immunizations not required for all new students by this policy. Institutions are also authorized to impose additional immunization requirements for students when, in the opinion of the president of the institution and with concurrence of the Chancellor and appropriate public health authorities, there is a substantial risk of exposure to other communicable diseases preventable by vaccination (BOR Minutes, 1990-91, p.114).

All entering South Georgia State College students are required to provide SGSC with documentation of the minimum immunization requirements set forth by the Board of Regents. These requirements can be found at: http://www.sgsc.edu/skins/userfiles/files/Immunization%20Form.pdf
Students who are enrolled in programs of study covered under the University System of Georgia Memorandum of Understanding clinical agency affiliation agreement must meet the immunization requirements of those programs.

Failure to submit a completed Certificate of Immunization will result in a registration hold on your student record.

ADMISSION BY DEGREE PROGRAM

ADMISSION TO TRANSFER PROGRAMS:
ASSOCIATE OF ARTS (A.A.) AND ASSOCIATE OF SCIENCE (A.S.) DEGREES

Admission to A.A. or A.S. degree programs at South Georgia State College requires a high school diploma or GED credential.

Board of Regents policy requires that the diploma should be from a high school accredited by a regional accrediting association, the Georgia Accrediting Commission, or from a public school regulated by a school system and state department of education. Students who have a DOE High School Certificate (also called a Certificate of Performance) or a Special Education Diploma are not considered to be high school graduates. A GED would be required. A GED is acceptable only if the student’s high school class has graduated. There are no exceptions to the requirement that a freshman have either a high school diploma or the GED.

Students enrolling in A.A. or A.S. programs must have completed the 17 units of the Georgia Required High School Curriculum (RHSC, as defined by the Georgia Department of Education). Regardless of the diploma earned in high school and accepted for admission, each student will be evaluated to determine satisfactory completion of the 17 units of the RHSC.

A minimum high school grade point average (HSGPA) is required as follows: Georgia Required High School Curriculum: Each student will be evaluated to determine satisfactory completion of the 17 units of the RHSC. Students with the RHSC must have a 2.0 HSGPA calculated based on the grades in the 17 units of the RHSC.

All Others: Students who have not completed the RHSC must have a 2.0 HSGPA calculated based on the grades in the appropriate RHSC units.

Students who enter without a Georgia RHSC diploma (for example, students with a TC diploma, students from private high schools or other states, students with a Georgia DOE General Diploma, and home schooled students) must be evaluated for RHSC completion and must take addition courses as necessary, following USG policy.

Students who have not completed the Georgia RHSC courses requirements or who do not have the minimum HSGPA requirement, but show other evidence of ability to succeed, may be granted admission through Presidential Exceptions. Candidates for Presidential Exceptions are evaluated on a case-by-case basis, and there is no explicit or implicit guarantee of admission through this route.

All students applying for admission to A.A. or A.S. degree programs must be tested for admissibility and placement in learning support in English, reading, and mathematics. Students
who have SAT or ACT scores may exempt placement testing if they meet the following requirements:

1. SAT Verbal score of 430 (before March 2016), SAT Reading score of 24 (after March 2016), or an ACT English score of 17 to exempt placement testing in LS English and reading;
2. SAT Math score of 400 (before March 2016), SAT Math score of 22 (after March 2016), or an ACT Mathematics score of 17 to exempt placement testing in math.

Applicants who fall into at least one of the following categories are admissible only as Limited Admission students. The College reserves the right to deny admission to these students if space is not available.

1. Students who have a RHSC deficiency.*
2. Students who score below 32 on the English Compass Test or 45 on AccuPlacer.
3. Students who score below 20 on the Math Compass Test or 19 on AccuPlacer.
4. Students who test into all three areas of Learning Support.

Applicants who fall into at least one of the following categories will be denied admission to South Georgia State College.

1. Students who score below 62 on the Reading Compass Test.
2. Students who have a HSGPA below the required minimums (2.0 for RHSC, 2.2 for all others).

Applicants who are denied admission must make written appeal to the Admissions Committee if they wish to be reconsidered.

*The Georgia Required High School Curriculum does not apply to students who have been out of high school at least five years and whose high school class graduated at least five years ago. Students who accumulate thirty or more semester hours of college-level credit before completing all RHSC requirements may not register for other courses unless they also register for the appropriate deficiency course or courses.

The 17 specified University System RHSC courses are:

MATHEMATICS – 4 college preparatory Carnegie units of mathematics, including Algebra I, Algebra II, and Geometry, and an additional mathematics course that has these courses as prerequisites. For students who graduate from a Georgia public high school in 2012 or later, the 4 units of mathematics must include a mathematics I, II, III, and a fourth unit of approved mathematics.

ENGLISH – 4 units that have as their emphasis grammar and usage, literature (American, English, World), and advanced composition skills.

SCIENCE – 4 units of science, with at least one laboratory course from the life sciences and one laboratory course from the physical sciences. Beginning in 2012, students must have one (1) unit of biology, one (1) unit of physical science or physics, and one (1) unit of chemistry, earth systems, environmental science, or an advanced placement science course.
SOCIAL SCIENCE – 3 units of social science, with at least one course focusing on United States studies and one course focusing on world studies.

FOREIGN LANGUAGE – 2 units in the same foreign language emphasizing speaking, listening, reading, and writing. Two units of American Sign Language may be used to satisfy this requirement.

LEARNING SUPPORT POLICIES

Learning support policies established by the Board of Regents for all System institutions require placement in learning support courses for students who have academic deficiencies in English, and/or math for those programs of study which have learning support prerequisites. At South Georgia State College, any one or more of the following indicate that deficiencies may exist and that further testing is needed: (a) re-centered SAT scores of less than 430 verbal or 400 math (or ACT equivalent scores); (b) a high school grade point average of less than 2.0; (c) RHSC deficiencies in English or math. COMPASS or AccuPlacer examinations in English and math are administered for final placement determination.

Students must enroll each semester in required learning support courses. While completing these required courses, they may enroll in regular credit courses that do not have learning support prerequisites or learning support co-requisites. If a student is enrolled in learning support courses and regular credit courses and withdraws from a required learning support course, he/she may remain in all regular credit courses.

University System of Georgia policies require completion of all learning support course work prior to the accumulation of thirty (30) semester hours of credit. Students failing to do so will be restricted to enrollment in learning support courses until all requirements are met.

If a student does not complete requirements for English 0989 or the applicable MATH Foundations course in two/three semesters the student will be suspended. (Students are permitted unlimited attempts in ENGL 0099 and the applicable MATH co-requisite course.) The student may be considered for readmission before the end of one year of the suspension if the student can provide evidence that he/she has taken measures to improve his or her skills.

All time spent in learning support course work shall be cumulative within the University System. Additional information regarding these regulations may be obtained by contacting the Chair of the Division of Humanities.
OTHER ADMISSIONS CATEGORIES

DUAL ENROLLMENT

Dual Enrollment gives academically talented high school students the opportunity to earn college credit before graduating from high school. In some cases the high school student may be able to be dually enrolled—earning high school and college credit at the same time. The cost of tuition and fees may be covered by MOWR (Move On When Ready), a program funded through the high school’s Full Time Equivalency (FTE) funding.

The following eligibility requirements have been established:

• Rising Sophomores, Juniors, and Seniors
• Minimum high school academic GPA of 3.0
• Eligible SAT, ACT, COMPASS, or AccuPlacer test scores
  o SAT: Minimum Critical Reading 430/Math 400 (before March 2016) OR Minimum Reading subscore 24/Math subscore 22 (after March 2016)
  o ACT: Minimum English 17/Math 17
  o COMPASS: Minimum Reading 74/Writing 60/Algebra 37
  o AccuPlacer: Minimum Reading 63/WritePlacer 4/Elementary Algebra 79*. If Reading score is 75 or higher, WritePlacer is not required
    * An Algebra score of 79 is required for students who need MATH 1111 (College Algebra) for the Honors Track or if their intended program of study requires College Algebra. An Algebra score of 67 is required only if the student does not need College Algebra for the Honors Track and their intended program of study only requires MATH 1001 (Quantitative Reasoning) or MATH 1101 (Mathematical Modeling).
• On track towards the completion of the Required High School Curriculum (RHSC) requirements and high school graduation.

The MOWR (Move on When Ready) program provides financial assistance to high school students who take advantage of the opportunity to earn college credit as they simultaneously meet their high school graduation requirements. MOWR pays for tuition for the Fall, Spring, and Summer Semesters.

Additional information regarding these programs may be obtained by contacting the Office of Admissions.

HOME-SCHOOLED STUDENTS AND GRADUATES OF NON-ACCREDITED HIGH SCHOOLS

Admission requirements include submission of:

• An application for enrollment
• A one-time $20.00 enrollment fee
• Evidence of completion of 17 units of University System of Georgia’s Required High School Curriculum (RHSC), typically done with a portfolio. A good portfolio will consist of a transcript of all high school courses completed, evidence of the student’s work in each of the 17 areas of the RHSC, and a statement signed by the home school principal (usually the mother or father) attesting that the student has met the requirements for graduation from that home school and giving a date of graduation. Most portfolios that have been submitted are approximately one inch thick and contain a syllabus, examples of work (writing samples, assignments), and a final examination for each course.
An immunization record, completed by a health care professional
- Lawful Presence
- Completion of the AccuPlacer Test through the Admissions Office at South Georgia State College
  - The AccuPlacer and/or COMPASS Test can be exempted if the following requirements are met: SAT scores of 430 English, 400 Math (before March 2016), Reading 24 and Math 22 (after March 2016), or ACT scores of 17 English, 17 Math. The AccuPlacer Test and/or the COMPASS Test is used for entrance and placement purposes to determine whether learning support classes are needed.
- The COMPASS Test is no longer being offered; however, we will continue to accept COMPASS scores. The new placement exam is AccuPlacer.

ACADEMIC RENEWAL

South Georgia State College students who have been readmitted or reinstated after a period of absence of five (5) calendar years or longer are eligible to apply for academic renewal.

Academic renewal for the student signals the initiation of a new grade point average to be used for determining academic standing. This provision allows South Georgia State College degree-seeking students who earlier experienced academic difficulty to make a fresh start and have one final opportunity to earn an associate degree at South Georgia State College. Academic renewal in no way affects a student’s eligibility for financial aid, admission to a particular program, or transfer to another college. Students must apply for academic renewal within one year of re-entering South Georgia State College. Academic renewal may be granted only once. For additional information students should contact the Registrar’s Office.

TRANSIENT STUDENTS

A student who has taken work in a college or university may apply for the privilege of taking courses at SGSC on a transient basis by presenting a letter of recommendation from the registrar of the institution that he/she last attended. This letter must indicate the courses the transient student is approved to register for at South Georgia State College. Such letters should be directed to the Registrar. The transient student is required to complete an application form and pay the non-refundable application fee.

ADMISSION OF NON-DEGREE SEEKING STUDENTS

A. South Georgia State College permits students to enroll as non-degree students for a maximum of 12 semester credit hours (including institutional credit). Students may not enroll in any course for which there is a learning support prerequisite unless they have been screened for and have exempted the relevant learning support course.

B. The College permits students who have earned the baccalaureate degree from a regionally accredited institution to enroll as non-degree students in courses with no limitation on the number of hours or undergraduate credit these students can earn.

PERSONS 62 YEARS OF AGE OR OLDER

Residents of the State of Georgia who are sixty-two years of age or older at the time of registration may enroll as regular or auditing students in courses offered for resident credit on a
space available basis without payment of fees, except for supplies and lab fees. Interested residents must present a birth certificate or other comparable written documentation of age to enable the College to determine eligibility. If enrolling for credit, residents must meet all System and institution undergraduate admission requirements. Residents must also meet all System, institution, and legislated degree requirements such as Regents' Reading and Writing Skills and history and constitution instruction or exams if they are degree-seeking students.

AUDIT STUDENTS

Students who submit evidence of graduation from an accredited high school or a GED certificate which satisfies the minimum score requirement of the State of Georgia may register as auditors. Students registered as auditors shall be required to pay the regular fees for enrollment.

INTERNATIONAL STUDENTS

In addition to the normal admissions rules and procedures, special regulations related to visa status, fiscal responsibilities, and language competencies govern the admission and attendance of international students at the College. All prospective students who are not citizens of the United States or resident aliens must possess one of the following: an immigrant resident visa, a resident refugee visa, or a foreign passport which bears a visa assigning the student to South Georgia State College. Persons with visas that reflect any status other than these three cannot enroll at the College.

Under federal law, foreign nationals are not normally eligible for federal financial assistance funds administered by the College, nor are they normally permitted to seek or accept employment in the United States. Since it is obligatory to pay all College fees at the beginning of each semester, the circumstances regarding financial assistance and employment mean that foreign nationals must make provisions to meet all of their financial obligations prior to arrival in the United States.

The transfer of funds from foreign banks to the United States usually takes several weeks; therefore, students must start the transfer process early enough to ensure that their money is at South Georgia State College in time to register. Students' local banks should be able to provide specific timetables. Foreign students are expected to pay cash or have money sent directly to the business office at South Georgia State College prior to registration. If money is sent to the business office, the College will deduct the appropriate fees and costs of books, housing, and food before any money is released to the student.

All non-citizens who are admitted to the College must purchase the health and accident insurance made available to all South Georgia State College students, or show proof of comparable insurance. All students admitted to the College who acquire and operate a motor vehicle should purchase sufficient liability insurance to satisfy the requirements of Georgia state law. Both the health insurance and liability insurance must be maintained during the student's entire period of attendance at the College.

All prospective students whose first language or mother tongue is not English must, as part of the application procedure, have forwarded to the Director of Admissions an official report of scores attained on the Test of English as a Foreign Language (TOEFL). Minimum TOEFL scores of 523 on the paper TOEFL, 193 on the computer TOEFL, or 70 on the internet-
based TOEFL are required for admission. Information and applications for the TOEFL are available upon request from the Educational Testing Service, Box 899, Princeton, New Jersey 08540 USA. In addition, applicants must have the equivalent of a U.S. high school diploma with the equivalent of a 2.0 minimum grade point average on a 4.0 scale on all academic work.

Any student who has attended a post-secondary institution outside the United States must submit official transcripts from each institution attended. In addition, the student must also provide South Georgia State College with an English translation of the transcripts and an evaluation of the transcripts done by an official evaluation service. Contact the Admissions Office for recommended foreign credential evaluators. The evaluators charge a fee for their services.

ACCOMMODATIONS FOR LEARNING DISABILITIES AND/OR PHYSICAL DISABILITIES

The Office of Disability Services (ODS), a division of Student Success, is committed to providing an equal educational opportunity for all qualified students with disabilities.

All students with a documented disability or students that suspect they have a disability are strongly encouraged to register with the ODS at the time of making application. **Students must self-identify in order to pursue academic accommodations.** System accommodations require approval from the Regents Center for Learning Disorders. In addition to meeting the ASN requirements listed above, LPN-RN Bridge applicants must:

1. Possess current unrestricted Georgia LPN license with no current private or public disciplinary orders.

2. Complete 27 semester hours of general education requirements before enrolling in NURS 1104. Students must complete BIOL 2210K, BIOL 2211K, and PSYC1101, which are included in the 27 hours. Completion of all general education courses is strongly advised before enrolling in Nursing 1104.

SCIENCE/GENERAL EDUCATION PERFORMANCE REQUIREMENTS

A minimum grade of C is required in all science courses included in the curriculum for nursing. A student who makes less than a C in more than one required science (BIOL) course, including a repeated course, will not be eligible for admission to, or progression in, the nursing program. Grades of less than C in the required science courses taken at another institution will be considered the same as if taken at South Georgia State College. Academic renewal does not apply to grades of less than C in required science courses. A minimum grade of C is required in all general education courses required for the nursing major.

CLINICAL EXPERIENCE

Students in nursing obtain clinical experience in the campus skills laboratory and selected community clinical facilities. The student must assume responsibility for travel to clinical agencies. Students will provide care to assigned clients regardless of diagnosis, age, sex, race, creed, sexual orientation or ethnic origin. All students are required to have current CPR certification before going to clinical agencies. CPR certification must be approved by the American Heart Association or the American Red Cross and must include infant, child, and adult. Health insurance, PPD and immunizations are required in the event of illness, accident, or exposure to communicable disease while in the clinical area as a student from the South Georgia State College Nursing Program. Major clinical facilities utilized by South Georgia State College require a background check and a drug screening prior to attending clinical.

Based on the results of these screenings, the agencies may choose to disallow a student to attend clinical at these sites. To complete the nursing curriculum, students must be able to
attend clinical at these sites. Failure to do so would result in the inability of the student to complete the program of study. Students must meet the facilities’ requirements related to the Physical Examination, PSI Background Check, Urine Drug Screen, CPR, PPD, and immunizations. Students may be denied the right to attend clinical at these facilities based on the results.

The clinical experience is graded as satisfactory or unsatisfactory. Two clinical experiences graded unsatisfactory will result in a failure of the course regardless of when they occur in the semester. Students receiving a grade of “F” in a nursing course prior to midterm are ineligible for a refund of tuition and fees.

ACADEMIC STANDARDS IN NURSING COURSES

A minimum grade of C is required in each nursing course. In order to begin second-level nursing courses, students must have completed PSYC 2103 and BIOL 2210K, 2211K, and 2215K with a minimum grade of C in each course. The student must also have a minimum cumulative grade point average of 2.0 in order to enter second-level nursing courses.

RECURRENT ENROLLMENT IN NURSING

Students who make less than a C in any two nursing courses, including a repeated course, will not be allowed to continue in the nursing program. Students repeating a nursing course must complete it at South Georgia State College. Academic renewal does not apply to grades of less than C in nursing courses or required science courses.

A student who leaves the nursing program must complete a Reentry Request Form and submit it to the Dean of the School of Nursing. Students must have a cumulative GPA of at least 2.0 in order to be considered for readmission and will only be readmitted on a space available basis.

Students transferring from another nursing program must be in good standing with that program. Grades of D or lower earned in nursing courses taken at another institution will be considered the same as if taken at South Georgia State College. Students transferring to the South Georgia State College nursing program must be able to complete the program of study within 36 months of the time the student began a nursing program. The 36-month limit will include the transfer student’s initial enrollment in a nursing program until completion at SGSC. This policy reflects the policy for beginning nursing students at SGSC.

AUDITING NURSING COURSES

Students may, with the approval of the Dean of the School of Nursing, audit nursing courses; however, students who audit nursing courses are not allowed to participate in clinical lab activities or take unit/final exams. Fees for auditors are the same as those for students registered for credit.
PROGRAM COMPLETION

Once a student begins nursing courses, he/she has a maximum of 36 months to complete the program and meet requirements for graduation. Once a student begins Nursing 1104 (Career Mobility for LPNs to RNs), he/she has a maximum of 24 months to complete the program and meet requirements for graduation. The College reserves the right to certify that courses presented for program completion are current. Students may be required to retake courses to update their skills and/or their knowledge in the field. Additional assignments and NCLEX review may be required before program completion.

ADVANCED PLACEMENT IN NURSING

Advanced placement is possible for persons who have had prior education in a program leading to licensure as a registered nurse. A comprehensive examination or examinations may be required for a student attempting advanced placement. If a student fails an exemption examination, he/she may take the course when offered. Transfer students must meet admission requirements for South Georgia State College and the School of Nursing. Students interested in further details should contact the School of Nursing. Licensed Practical Nurses (LPNs) may choose to enroll in Nursing 1104, a career mobility course to facilitate transition from LPN to RN. LPNs who have grades of less than C in nursing or required biology courses at any institution should contact the School of Nursing for information related to eligibility to be considered for admission to the Career Mobility Course (NURS 1104).

NURSING EXPENSES

In addition to general college expenses, nursing students will need to:

Students may apply to the nursing program after October 1 of the year prior to the year she/he wishes to begin the RN-BSN nursing program. The application deadline is April 15 of each year. Because of limited classroom, clinical spaces, the Georgia Board of Nursing regulations, the College reserves the right to restrict enrollment in the RN-BSN nursing program. Students awaiting acceptance into the RN-BSN nursing program will be designated nursing-pre-BSN majors and may take general education courses appropriate to the RN-BSN nursing program. Students must contact the Admissions Office for complete admissions requirements and complete and submit an admissions application.

ADMISSION TO THE RN-BSN DEGREE PROGRAM

The RN-BSN program design allows the smooth transition from ASN to BSN.

1. Submit an Application to SGSC and the SGSC School of Nursing
2. Meet academic admissions criteria and complete COMPASS or AccuPlacer testing
3. Exit all learning support courses (Foundation and Co-requisite courses).
4. Submit Official Scholastic Assessment Test (SAT) or American College Test (ACT) scores.
5. Submit official copies of all official transcripts from institutions previously attended to the South Georgia State College Office of Admissions and School of Nursing.
6. Possess current unrestricted Georgia RN license with no current private or public disciplinary orders during the first semester of the RN-BSN program.

Students who do not meet eligibility requirements to be accepted into the nursing courses will need to complete the following requirements prior to acceptance into the RN-BSN Completion Program:

Completion of validation testing will be required of all associate degree or diploma graduates who graduated from non-NLNAC/ACEN accredited schools outside the state of Georgia, who graduated more than four years ago, and who have less than 1,000 clinical practice hours. Successful completion of the four subsets of the NLN Nursing Acceleration Challenge Exams (NACE) to validate current knowledge in the areas of Pediatrics, Obstetrics, Adult Health, and Psychiatric Nursing.

3. Upon successful completion of examination and skills requirements and admission into the RN-BSN Completion Program, students will then follow the Progression, Dismissal, and Readmission standards applicable to all nursing students.

Applicants who graduated from a U.S. high school must meet the admission criteria for regular students. Applicants who graduated from a non-U.S. high school must meet the admission criteria for international students. All students are required to provide documentation of their
lawful presence in the United States to be considered for in-state tuition. Applicants whose first 
language is not English and whose language of instruction was not English throughout 
secondary school must meet the English proficiency requirement by submitting the results of the

program admission.

The CGFNS International Credentials Evaluation Service (CES) report will be used to analyze 
the credentials of multiple levels of nursing professionals who are educated outside of the 
United States and who wish to pursue licensure or academic admission in the United States. 
The CES report will be at the expense of the student and is a condition for program admission.

CLINICAL EXPERIENCE

Students in nursing obtain clinical experience in the campus skills laboratory and selected 
community clinical facilities. The student must assume responsibility for travel to clinical 
agencies. Students will provide care to assigned clients regardless of diagnosis, age, sex, race, 
creed, sexual orientation or ethnic origin. Major clinical facilities utilized by South Georgia State 
College require a PSI Background Check, a urine drug screen. A Physical Examination, PSI 
Background Check, Urine Drug Screen, CPR, PPD, immunizations and blood titers are also 
required prior to attending clinical. Current CPR certification by the American Heart Association 
or the American Red Cross and must include infant, child, and adult is required.

Based on the results of these screenings, the agencies may choose to disallow a student to 
attend clinical at these sites. To complete the nursing curriculum, students must be able to 
attend clinical at these sites. Failure to do so would result in the inability of the student to 
complete the program of study. Students may be denied the right to attend clinical at 
these facilities based on the results.

The clinical experience is graded as satisfactory or unsatisfactory. Two clinical experiences 
graded by the nursing faculty as unsatisfactory will result in a failure of the course regardless of 
when they occur in the semester. Students receiving a grade of “F” in a nursing course prior to 
midterm are ineligible for a refund of tuition and fees. Nursing students are required to complete 
all clinical experiences as a part of the NURS course requirement.

A minimum grade of C is required in each nursing course.

RECURRENT ENROLLMENT IN NURSING

Students who make less than a C in any two nursing courses including a repeated course will 
not be allowed to continue in the RN-BSN nursing program. Students repeating a nursing course 
must complete it at South Georgia State College unless approved by the Dean of the School of 
Nursing. Academic renewal does not apply to grades of less than C in nursing courses or 
required science courses.

A student who leaves the nursing program must complete a Reentry Request Form and submit 
it to the Dean of the School of Nursing. Students must have a cumulative GPA of at least 2.0 in
order to be considered for readmission and will only be readmitted on a space available basis.

Students transferring from another nursing program must be in good standing with that program. Grades of D or lower earned in nursing courses taken at another institution will be considered the same as if taken at South Georgia State College. Students transferring to the South Georgia State College nursing program must be able to complete the program of study within 60 months of the time the student began a nursing program.

STUDENT TUITION CLASSIFICATION POLICY

In accordance with Board of Regents Policy 4.3.4, all applicants who are accepted for admission or readmission for Fall 2011, or any academic term thereafter, and who seek to be classified as in-state for tuition purposes, will be required to provide validation of residency and lawful presence in both the State of Georgia and the United States.

INDEPENDENT STUDENTS

An independent student who has established and maintained a domicile in the State of Georgia for a period of at least twelve (12) consecutive months immediately preceding the first day of classes for the term shall be classified as in-state for tuition purposes.

No student shall gain or acquire in-state classification while attending any postsecondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state. If an independent student classified as in-state for tuition purposes relocates out of state temporarily but returns to the State of Georgia within twelve (12) months of the relocation, such student shall be entitled to retain his/her in-state tuition classification.

DEPENDENT STUDENTS

A dependent student shall be classified as in-state for tuition purposes if such dependent student's parent has established and maintained domicile in the State of Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term and:

1. The student has graduated from a Georgia high school; or,
2. The parent claimed the student as a dependent on the parent’s most recent federal or state income tax return.

A dependent student shall be classified as in-state for tuition purposes if such student’s United States court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term, provided that:

1. Such appointment was not made to avoid payment of out-of-state tuition; and,  
2. The United States court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least twelve (12) consecutive months immediately preceding the first day of classes for the term.

If the parent or United States court-appointed legal guardian of a dependent student currently classified as in-state for tuition purposes establishes domicile outside of the State of Georgia after having established and maintained domicile in the State of Georgia, such student may retain his/her in-state tuition classification so long as such student remains continuously enrolled in a public postsecondary educational institution in this state, regardless of the domicile of such student’s parent or United States court-appointed legal guardian.
NON-CITIZENS

A non-citizen student shall not be classified as in-state for tuition purposes unless the student is legally in this state and there is evidence to warrant consideration of in-state classification as determined by the Board of Regents. Lawful permanent residents, refugees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification.

International students who reside in the United States under non-immigrant status conditioned at least in part upon intent not to abandon a foreign domicile shall not be eligible for in-state classification.

OUT-OF-STATE TUITION WAIVERS

An institution may award out-of-state tuition differential waivers and assess in-state tuition for certain non-Georgia residents under the conditions listed below. Notwithstanding any provision in this policy, no person who is unlawfully present in the United States shall be eligible for any waiver of the tuition differential.

1. **Academic Common Market.** Students selected to participate in programs offered through the Academic Common Market.

2. **International and Superior Out-of-State Students.** International students and superior out-of-state students selected by the institution president or an authorized representative, provided that the number of such waivers in effect does not exceed two percent (2%) of the equivalent full-time students enrolled at the institution in the fall term immediately preceding the term for which the out-of-state tuition is to be waived.

3. **University System Employees and Dependents.** Full-time USG employees, their spouses, and their dependent children.

For U.S. citizens or U.S. legal permanent residents, this waiver will expire twelve (12) months from the date the waiver was granted.

As of the first day of classes for the term, an economic advantage waiver may be granted to an independent non-citizen possessing a valid employment-related visa status who can provide clear evidence of having relocated to the State of Georgia to accept full-time, self-sustaining employment. TUITION CLASSIFICATION AND OUT-OF-STATE TUITION WAIVER PETITION PROCESS

The citizens of Georgia, through the payment of taxes, support the operation of South Georgia State College. Hence, whether a student is classified as an in-state or an out-of-state student in the State of Georgia is a significant matter.

The Board of Regents of the University System of Georgia has adopted policies governing the classification of students as in-state and out-of-state for tuition purposes. These policies ensure that out-of-state students pay a fair and reasonable share of the cost of their education.

- Students who have been classified as out-of-state for tuition purposes and believe they are entitled to be classified as in-state for tuition purposes may petition the institution for a change of status.

Petition for Classification for Tuition Purposes

- Examples of appropriate documentation are listed on the form.

Tuition Classification: Enrollment Application Correction

- To be used only if an error was made or questions left blank in the “residency” section of the enrollment application.
- This document must be notarized.

- Students who have been classified as out-of-state for tuition purposes and believe they are eligible for a waiver may choose to apply for an applicable waiver, which are listed above.

All Petitions, Waivers, and supporting documentations should be completed before the semester begins. Submit all Petitions, Correction forms, Waivers, and supporting documentation to the Registrar’s Office.

Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the act. South Georgia State College is in full compliance with the provisions of that legislation.
