EXPENSES

The academic year is divided into two semesters of approximately sixteen weeks each and a summer term of approximately ten weeks. The College may also offer one or more abbreviated sessions within terms. Expenses are charged and payable by the term since each term constitutes a separate unit of operation. A student may enroll at the beginning of any term.

It is difficult to give exact information about annual expenses because they vary according to the nature of the curriculum, the place of residence (whether within Georgia or out-of-state), and the student's needs. The information in this section concerning expenses and financial aid is applicable to all students enrolled at the College. South Georgia State College strives to offer quality education at minimum cost. This cost is comparable to or below that of other institutions of the University System of Georgia.

A current schedule of fees is available on the South Georgia State College website (http://www.sgsc.edu/current-students/fee-payment.cms). Links on this page also provide details about fees for the Valdosta and Americus Entry Programs. Entry Program students pay the fees of the host institution.

All students on the Douglas campus, both full-time and part-time, must pay all mandatory fees as listed on the above fee schedule located on the SGSC website with the exception of the Special Institutional Fee, which is prorated for students taking 4 or fewer hours. Students taking online courses only are exempt from paying Athletic, Activity, Access Card, Student Center, and Parking Fees. Students enrolled for fewer than 15 semester hours pay tuition at the scheduled rate per hour. Students enrolled for 15 semester hours or more pay the scheduled full-time rate. Part-time students who receive permission to reside on campus pay regular room fees. All fees are payable on or before the published deadline each term.

APPLICATION FEE

An application fee of $20.00 is required from all applicants. This fee shall be for the sole purpose of covering the expense involved in processing the student's application and will not be refunded in the event that the applicant does not enroll as a student. An admissions application is available online at www.sgsc.edu.

OTHER FEES

Auditors: Persons desiring to attend courses or lectures without examination or credit may register as audit students. Fees for auditors are the same as those for students registered for credit.

Books and Supplies: The cost of books and supplies for the student during any given term depends on the courses taken and the special instructional supplies needed.

Graduation Fee: A $40.00 non-refundable graduation application fee is required and covers all costs associated with graduation, with the exception of the cap and gown which may be purchased separately through the SGSC Bookstore.

Lab Fees: Certain courses offered by the College require students to pay lab fees. The amount of these fees is listed in the course descriptions.

Late Registration: Students completing registration after the published registration day will be charged a $25.00 late registration fee.

Lost and/or Damaged Library Materials and Delinquent Fees: A student who has lost and/or damaged library materials or who is delinquent payment of any fee associated with lost and/or damaged library materials will have his/her transcript withheld until the delinquency is removed or the lost material is returned. Nonpayment of these charges will prevent registration for a succeeding term.

For residence hall students:

Health Fee: Residence hall students are required to pay a health fee.
Housing Application Fee: A one-time $125.00 non-refundable housing application fee is required.

Meal Plan: Residence hall students are required to purchase a college meal plan.

NOTE: All fees and charges scheduled by the College are subject to change each term.

REFUNDS

Students who formally withdraw from the College with a clear record and within the time limits specified below may receive partial refunds of in-state tuition or out-of-state tuition.

There is no refund for partial reduction of hours beyond the drop-add period.

All mandatory fees, with the exception of the Parking Fee, are refundable. Parking fees are non-refundable. If a student is suspended, no fees will be refunded. All fees are refunded in case of death of the student.

The refund amount for students withdrawing from the institution shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total calendar days in a semester include weekends, but exclude scheduled breaks of five or more days and days that a student was on an approved leave of absence.

Students who withdraw from the institution when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges.

RETURNED CHECK POLICY

If a check is returned unpaid by the bank on which it was drawn, a service charge of $30.00 or 5% percent of the face amount of the returned check (whichever is greater) will be charged. Webchecks paid through Touchnet/Paypath that are returned as insufficient will incur a service charge of $30.00 or 5% of the face amount of the returned check (whichever is greater) will be charged.

If the indebtedness resulting from the returned check (including the returned check charge) is not cleared within ten days of receipt of the notice, the student will be dropped from class rolls,
the student’s registration will be cancelled for that term if possible, and the returned check will be turned over to the Magistrate Court for collection and criminal prosecution.

FINANCIAL RESPONSIBILITY OF THE STUDENT

As a member of the college community, the student is expected to act responsibly with regard to financial obligations. A student who is delinquent in financial obligations to the College shall not be allowed to register for the next term, to transfer credits to another school, or to graduate from the College. The financially delinquent student may be enjoined by the appropriate College official from attending classes in which he or she is enrolled and/or from taking final examinations.

South Georgia State College reserves the right to refer any debts to an outside agency for collection.

Financial aid applications are accepted and processed throughout the academic year, but priority is given to those submitted by May 15.

This material was prepared in advance and is subject to changes in state or federal laws or regulations.

The Federal Direct Subsidized Stafford/Ford Loans is need based, and the Federal Government subsidizes and pays the interest on this loan while the student is in school and during the six-month grace period. **HOW TO APPLY FOR NEED-BASED ASSISTANCE**

1. Apply for admission to South Georgia State College. No financial aid can be paid to a student who has not been accepted for admission.

2. Complete a Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). A student must add South Georgia State College in the appropriate section of FAFSA by adding the **Title IV school code, which is 001592**.

3. Approximately two to four weeks after applying online to the Federal Student Aid Programs, the student will receive a Student Aid Report (SAR). The Financial Aid Office will receive an electronic version of the SAR and will contact the student regarding further application procedures.

4. A student who wants to apply for the HOPE and Zell only need to complete the FAFSA as well.

5. Provide the Financial Aid Office with additional forms and/or documents as requested in a timely manner.

These procedures should be completed at least ten weeks prior to the beginning of the term for which aid is being requested. (See the **Important Dates** section of this catalog.) Failure to complete the application process in a timely fashion may delay or prevent receiving aid when it is needed to pay tuition and fees at registration.
ELIGIBILITY FOR NEED-BASED ASSISTANCE

Eligibility for receiving financial assistance at South Georgia State College is determined by comparing the cost of attending college with the ability of the student (and parents or spouse) to meet these expenses. Cost of attendance is calculated for each of several groups of students at SGSC using criteria such as resident status, dependency status, and living accommodations. For each of these student groups, cost of attendance includes anticipated expenses, such as room and board, books and supplies, personal expenses, tuition and fees, and transportation. The ability of the student (and parents or spouse) to contribute to college expenses (also called the Expected Family Contribution) is determined by the U.S. Department of Education using criteria established by that agency. Factors used in determining ability to pay include but are not limited to all appropriate assets and income (earned and unearned). The factors vary from year to year.

Each year that a student wishes to be considered for aid, a FAFSA must be filed. Approved awards for each year are based upon proper completion and timely filing of applications, forms, and financial statements; the availability of federal and/or college funds; eligibility for the individual programs for which the student is applying; and the applicant's continued enrollment. The amount of assistance may increase or decrease from one year to the next, depending upon educational costs, the financial circumstances of the family, and the level of program funding. Male students must show proof of registration for Selective Service to receive financial aid.

A number of FAFSA applications are selected for verification purposes each year. When a student's application is selected, he or she will be required to submit documentation as requested to verify all sources of income and value of assets. Failure to submit the appropriate documentation in a timely fashion will prevent the award of federal financial aid.

STUDENT ACCOUNTS

South Georgia State College uses a student account system of payment for financial aid. On registration day, students register for their courses and then fees are deducted from the student account. If the award does not provide the total amount of the fees, the student must be prepared to pay the balance. If there is a balance due the student, the funds from the student's account may be used to purchase books. Federal College Work Study awards are not included in the student account system and are not available at registration to pay fees.

Students have the option to have their excess funds electronically disbursed to the checking or savings account that they designate. If students do not elect direct deposit, a paper check will be issued and mailed to the student’s most current address on file. This disbursement will take place within fourteen (14) days after Financial Aid funds have been posted to students’ accounts. Any student who withdraws from all courses immediately following the drop/add period will not receive an award balance refund. These funds are refunded to the respective financial aid programs. Any student who withdraws from all classes after receiving an award balance refund may be required to repay portions of that award balance refund.
