Soar with the Hawks.

South Georgia State college has won over a dozen titles in athletics through the years. Most recently, the men’s and women’s swim teams won the Region 17 Championship and placed third in the national competition. As a member of the NJCAA and GCAA, our athletic teams currently compete in baseball, basketball, softball, women’s soccer, swimming, and cross country.

SGSC’s Douglas Campus has an impressive athletic complex, complete with a heated indoor junior Olympic-sized swimming pool, indoor batting cage, and dedicated fields for softball and baseball. The Wellness Center on the Douglas Campus has a gymnasium, weight room, training room and classrooms. The Waycross Campus gymnasium is home to the basketball Hawks and offers a weight room for students. All facilities are easily accessible to students and are designed to benefit both students and student-athletes. All facilities are free and open for use by students during designated times.
