ACADEMIC INFORMATION

The primary source of information about academic rules and requirements for graduation is the SGSC Catalog. You may access through the following link:

<http://www.sgc.edu/academics/catalog/pdf/12-14/AcademicInformationRegulationsandRules.pdf>

Refer to that resource and confer regularly with your advisor. Each student is responsible for complying with the academic regulations stated in the catalog.

APPEAL OF A GRADE

Students who think that they have been graded unfairly may appeal the grade at issue in writing within 30 days after the last day of the final examination period for the semester in which the grade was assigned. (The written appeal follows step 1 below and must be addressed to the Chair of the Division/Dean of School of Nursing, signed by the student, and delivered or postmarked within the 30-day limit.) Because the appeal of a grade is an in-house procedure, and not a court of law, no legal counsel or any other person may be present other than the persons specifically mentioned in each step below. Exceptions to this may be granted by the Vice President for Academic Affairs only for the following reasons: (1) a student with disabilities requiring extraordinary assistance; or (2) a student whose first language is not English and whose English is not sufficiently fluent so as to allow him/her to represent himself/herself adequately. In these cases, the appointment will be left to the discretion of the Vice President for Academic Affairs. The steps in the process are as follows:

1. The student will discuss the grade with the instructor involved.* This meeting should occur within three weeks of the last day of the final examination period for the semester in which the grade was assigned. The majority of grade disputes are resolved at this step.
2. In the rare cases that the disputes are not resolved in step 1, the student must file a written appeal to the Division Chair/Dean of School of Nursing within 30 days after the last day of the final examination period for the semester in which the grade was assigned. Within two weeks of receipt of the written appeal, the Division Chair/Dean will meet with the student and the instructor in an attempt to resolve the situation. A memorandum of record will be prepared that will include the substance of the conversation during the meeting.
3. If the difficulty remains unresolved, a divisional review board will be appointed by the Division Chair/Dean to hear the student's appeal. The review board will meet to hear the appeal no later than two weeks after step two above.
 - (1) There will be three members of this board, to be chaired by the Division Chair/Dean.
 - (2) The instructor involved will not be a member of this board.
 - (3) In small divisions, the membership of the board may come from outside the division.
 - (4) If the charge of unfair grading is made against a Division Chair/Dean, the review board will be appointed by the Vice President for Academic Affairs, who will serve as its chair.
 - (5) The review board shall hear statements from both the student and the instructor involved and will examine documents that are pertinent to the matter under review.**
 - (6) A record will be kept of the review board's proceedings.

- (7) The findings of the review board will be reported to the Vice President for Academic Affairs, along with a recommendation. The decision of the Vice President for Academic Affairs shall be submitted to the student in writing within seven days.
- (8) If satisfaction is not achieved with the decision of the Vice President for Academic Affairs, the student may appeal the ruling to the President in writing within seven days of receipt of the decision of the Vice President for Academic Affairs.

4. The decision of the President regarding grades is final.

**In the unlikely event that the student cannot locate the instructor, the student should submit a written appeal directly to the Division Chair/Dean. The Division Chair/Dean will make a reasonable attempt to locate the instructor. If the instructor is still not available, the Division Chair/Dean will send reliable notice to the instructor (e.g., via certified mail) notifying the instructor that the appeal will proceed on a specified date no sooner than ten days from the date of the notification. On the specified date, the Division Chair/Dean will meet with the student as specified in Step 2, with or without the instructor present.*

***If the instructor cannot be present before the review board, the student will present his or her case to the review board, and the board will make a recommendation to the VPAA.*

TRANSCRIPTS

South Georgia State College will release an official transcript upon written request from the student to the Registrar's Office. All transcript requests must include the student's signature and should contain the student's social security number (or student ID), most recent dates of attendance, other names used while in attendance, and the name and address of the party to receive the transcript. There is a 24-hour processing time for all transcripts requested to be picked up. Transcripts requested to be mailed or faxed will be processed within 1-2 business days. South Georgia State College reserves the right to withhold copies of educational records of students who fail to meet their financial obligations to the College. To request a transcript, come by the Registrar's Office, or complete the [online form](#) and return the completed (signed) form to the Registrar's Office.

INTELLECTUAL DIVERSITY AND ACADEMIC FREEDOM

The University System of Georgia and South Georgia State College subscribe to the American Council on Education's statement of Academic Rights and Responsibilities. This statement includes important provisions about intellectual diversity and academic freedom. In addition to links on the SGSC website, copies of this statement are available in the Office of the Vice President for Academic Affairs and the Office of the Vice President for Student Success. Failure on the part of faculty and staff to honor the commitment to intellectual diversity and academic freedom is a legitimate reason for a student to file a grievance. These excerpts from the

American Council on Education's statement of Academic Rights and Responsibilities offer specific expectations of classroom behavior for faculty and students:

Colleges and universities should welcome intellectual pluralism and the free exchange of ideas. Such a commitment will inevitably encourage debate over complex and difficult issues about which individuals will disagree. Such discussions should be held in an environment characterized by openness, tolerance and civility.

Academic decisions including grades should be based solely on considerations that are intellectually relevant to the subject matter under consideration. Neither students nor faculty should be disadvantaged or evaluated on the basis of their political opinions.

Any member of the campus community who believes he or she has been treated unfairly on academic matters must have access to a clear institutional process by which his or her grievance can be addressed.

The validity of academic ideas, theories, arguments and views should be measured against the intellectual standards of relevant academic and professional disciplines. Application of these intellectual standards does not mean that all ideas have equal merit. The responsibility to judge the merits of competing academic ideas rests with colleges and universities and is determined by reference to the standards of the academic profession as established by the community of scholars at each institution.

ENTRY PROGRAMS AT AMERICUS AND VALDOSTA

South Georgia State College administers Entry Programs on the campuses of Georgia Southwestern State University in Americus, Valdosta State University in Valdosta, and the Armstrong Atlantic State University Liberty Center in Hinesville. Through the receipt of tax-deductible gifts, the Foundations enhance the quality of programs for SGSC by funding scholarships, new academic initiatives, faculty/staff development, athletic programs and other college priorities.

The SGSC Office of External Affairs serves as the liaison between the college and the Foundations and assists with the awarding of annual scholarships. For further details on the Foundations or other Foundation-sponsored programs, please contact the Office of External Affairs via email at externalaffairs@sgsc.edu or by phone at 912-260-4274 (Douglas campus) or 912-449-7510 (Waycross campus).

CAMPUS LIFE

ORIENTATION

The best way for new students to learn about South Georgia State College is to participate in the New Student Orientation program. Student Orientation and Registration (SOAR) and Residential Orientation and Registration (ROAR) are two orientation programs available to SGSC students. Participants are given information about student activities, campus facilities, student services, and general college policies. In addition, they meet with advisors to schedule their first term's enrollment.

RESIDENCE LIFE

The *Residence Hall Handbook* supplements information in the *South Georgia State College Catalog* and the *SGSC Student Handbook* to help make the most of your college experience. For more information, visit www.sgc.edu/student_life/pdf/residencehallhandbook.pdf.

FOOD SERVICES

South Georgia State College has an agreement with ABL to provide food services on the SGSC-Douglas campus, and Light Vending provides services for our vending machines. ABL works with groups planning events that feature food and beverages. Residential students are required to participate in a meal plan each term. Commuting students may purchase a commuter meal plan, with cash or by creating a food services account balance which is recorded on the ID card. The ID card is classified as a financial transaction card and is governed by Georgia law (see South Georgia State College Public Safety Information bulletin) and College regulations. Amounts can be added to the ID card's DBA Flex account using the Blackboard reverse ATM in the Clower Center, and the ID card may be used in the food services areas in the Dining Hall, the Tiger Depot and the Clower Center. Food services accounts are issued in conjunction with the SGSC ID, which is validated by the Cashier's Office. Food services hours are posted in the Dining Hall. For assistance or more information, please contact the Cashier's Office at 912-260-4239 or ABL, located in the SGSC Dining Hall, at 912-720-4825, abl.management@sgsc.edu.

HIGHER ONE CARD

South Georgia State College now issues all refunds to students through Higher One Inc., a financial services company focused solely on higher education. Instead of receiving a standard check through the mail (which may take a week or longer), SGSC students will receive an Easy Refund card, which looks like a standard debit card. The Easy Refund card will give students more choices on how to receive their financial aid or other school refunds. Through the Easy Refund method, students will gain fast access to their funds, possibly the same day SGC releases them. All students must go to the College website, www.sgc.edu, and click on the Higher One link to confirm or update their current mailing address. Once the Easy Refund card arrives in the mail, it must be activated immediately, even if the student receiving the card does not expect a refund. It may be necessary to drop a class, a class may be cancelled, or students may receive scholarship or other assistance that they did not anticipate. Activation will expedite these future transactions. To learn more, visit www.easyrefundcard.com.

IDENTIFICATION CARDS

Upon enrollment each student on campus is issued an SGSC ID card. Douglas campus student may obtain ID cards from the Office of Admissions located in Engram Hall. Waycross campus

students may obtain ID cards from the Enrollment Services office located in the Dye Building. This ID card serves several important functions. It gives students access to materials in the library and serves as validation for printing from computer workstations. The card also provides access to the Douglas campus Wellness Center and other facilities and events on campus. In addition, it is used as a food services card and key access for the residence hall. Students are required to surrender the ID card to public safety staff or other campus officials upon request. Loss of the card should be reported immediately to the Cashier's Office. If a card is lost, a \$10 replacement fee is assessed. It is a violation of the Code of Conduct (see Table of Contents) to loan a card to someone else or to use anyone else's card. Unauthorized use of cards violates state financial transaction laws.

VEHICLE REGISTRATION

The staff members of SGSC's Public Safety Department are responsible for vehicle registration. Douglas campus students may register their vehicles at the Public Safety Office in Shannon Hall during the enrollment and registration process. Waycross Students may register their vehicles at the Cashier's window located in the Administration building. In order to receive a decal, you will need to present current vehicle registration, a valid driver's license, and a current class schedule. For more information about campus parking and vehicle registration, call 912-260-4401.

STUDENT EMAIL

Students will be assigned an e-mail account. This account will be used by instructors and the SGSC administration to inform students of important events. Students are expected to log into this account on a regular basis. SGSC email is an official medium of communication by the College. Failure to acknowledge or respond to an official notification via SGSC email will not prohibit the College from proceeding with appropriate actions. Account information may be obtained by logging into Self Service Banner. Submit a Tiger Trouble ticket if unable to access the student e-mail account.

LIBRARY SERVICES

The William S. Smith Library and the Waycross campus Library, are the learning resources centers for South Georgia State College campuses, blending traditional and electronic library resources and services to support the educational programs of the College. The Library plays a crucial role in the student's college life whether it is used for research class work, independent study, or personal enjoyment. The Library's website at <http://www.sgc.edu/library/index.html> provides 24/7 access to its resources and services. First among these resources is the online GILFind@SGC catalog (<http://gilfind.sgc.edu/>), from which students can retrieve materials in print, media, and electronic formats, including direct links to over 35,000 e-Books and e-Videos.

SGSC Students also have access to the University System of Georgia Universal Catalog (<http://gilfinduc.usg.edu/>) to search for materials not owned by the South Georgia State College libraries but held in other USG libraries. Through a process called GIL Express Request, SGSC students may self-request delivery of circulating books from any USG Library to SGSC's Smith Library or the Waycross campus Library. This process is in addition to the traditional library-mediated Interlibrary Loan service. Another gateway to library resources is through GALILEO. GALILEO is a thousands of periodicals and scholarly journals (over 2000 titles full-text), encyclopedias, audio files, images, videos, business directories, and government publications. Remote access to GALILEO, at <http://www.galileo.usg.edu/scholar/sga/subjects/>, is available to SGSC students with a password obtained through the MY GIL ACCOUNT feature in the online GILFind catalog at <http://gilfind.sgc.edu/vufind/MyResearch/Home>. Students also have access to one-on-one bibliographic instruction, information literacy instruction, and research assistance upon request. The library's website and its *GUIDE To Resources* (printed brochure and on website) provides more detailed information about resources, services, and policies of the Library. Comfortable accommodations are provided for use of the facility and physical collections with seating for collaborative and individual learning, study carrels, study tables, and small group study rooms. Networked computer workstations are located throughout the facility. A microform reader-printer and photocopier equipment are also available. Hours will vary during exams, semester breaks, holidays, and the summer terms. Changes in scheduled library hours are posted at the Library and on the Library's website. The SGSC ID Card, which serves as the student's library card, is required to check out materials from the South Georgia State College libraries and other USG libraries. The ID Card barcode is the identification number for the "MY GIL ACCOUNT" through which students access SGSC's current GALILEO password, renew library materials, and request materials from the Universal Catalog for GIL Express delivery. The SGSC ID Card is also required for printing from any computer workstation located in South Georgia State College libraries and in the other campus computer labs. A Student ID Card will be validated with an initial credit of \$10 each semester.

CAMPUS BOOKSTORE

Students may visit the Campus Bookstore to get their textbooks and other instructional supplies. This store also offers an assortment of caps, t-shirts, sweatshirts, and general school supplies.

CAMPUS ALERT SYSTEM

Connect-ED® communication has been selected to deliver time-sensitive notifications to students and staff. This service provides campus leaders and security professionals the ability to reach students and staff members with information and updates during unforeseen events or emergencies, within minutes, through phone calls, e-mails and/or text messages, whether they are in their dorms, sitting in front of their computers, or on their way to class. Notifying students immediately is crucial in time-sensitive situations, such as a severe storm or campus closure. It is important for students to enter their contact information into the Connect-ED database. The more methods SGSC has to contact individuals, the better the odds are of spreading timely information and updates and keeping everyone safe. Contact information included in the Connect-ED service will only be used for campus notifications and will not be made available to any other service. To sign up for Connect-ED, visit <http://www.sgc.edu/forms/advancement/cellphone.html>.

STUDENT HEALTH INSURANCE AND HEALTH FEE

All students are encouraged to carry health and accident insurance. International students are required to secure insurance through the University System of Georgia's Student Health Insurance Program, or show proof of comparable coverage. For more information, visit the SGSC link at <https://www.uhcsr.com/sgc>. Also, campus residents are assessed a \$35 health fee each term.

STUDENT GOVERNMENT ASSOCIATION

The South Georgia State College Student Government Association establishes and maintains communication between students and the College's administration and faculty. It cultivates and preserves the ideals of responsible citizenship on campus and helps to create an atmosphere of learning. Each student is encouraged to address requests, questions, complaints, or suggestions to Student Government representatives, appropriate faculty members, or administrators. All officially enrolled South Georgia State College students may attend Student Government Association meetings. 10. The term “Discipline Committee” means any person or persons authorized by the Vice President for Student Success, or designee, to consider an appeal from a Student Conduct Board’s determination as to whether a student has violated the Student Code or from the sanctions imposed by the Dean of Students.

11. The term “shall” is used in the imperative sense.

12. The term “may” is used in the permissive sense.

13. The Vice President for Student Success, or designee, is that person designated by the College President to be responsible for the administration of the Student Code.

14. The term “policy” means the written regulations of the College as found in, but not limited to, the Student Code, Residence Life Handbook, the College web page and computer acceptable-use policy, and College Catalogs.

16. Definition of Plagiarism - South Georgia State College follows the Modern Language Association’s definition of “plagiarism”: Derived from the Latin word *plagiarius* (“kidnapper”), plagiarism refers to a form of cheating that has been defined as “the false assumption of authorship: the wrongful act of taking the product of another person’s mind, and presenting it as one’s own” (Alexander Lindey, *Plagiarism and Originality* [New York: Harper, 1952 2]). Plagiarism involves two kinds of wrongdoing. Using another person’s ideas, information, or expressions without acknowledging that person’s work constitutes intellectual theft. Passing off another person’s ideas, information, or expressions as your own to get a better grade or gain some other advantage constitutes fraud. Plagiarism is sometimes a moral and ethical offence rather than a legal one since some instances of plagiarism fall outside the scope of copyright infringement, legal offence. Plagiarism is almost always seen as a shameful act, and plagiarists are usually regarded with pity and scorn. They are pitied because they have demonstrated their inability to develop and express their own thoughts. They are scorned because of their dishonesty and their willingness to deceive others for personal gain. (Gibaldi 66) The act and practice of plagiarism is not only sometimes criminally prosecutable and always dishonest and

shameful, but it is also intellectually lazy and deprives the plagiarist of an education. Examples of plagiarism include:

- Any quotation, rewording, paraphrase, or summary of another person's words, thoughts, ideas, opinions, or theories without appropriate acknowledgement.*
- The presentation in any form of another's artistic, literary, scientific, or other creative work as one's own.
- Allowing someone else to write one's paper; copying, buying, or stealing either in part or in its entirety one's paper from another source such as a book, an article, or the Internet.
- Appropriate acknowledgement includes, but is not limited to, quotation marks around quoted material and citation appropriate to the discipline. See the APA and MLA guidelines in the Hodges' Harbrace Handbook (Glenn and Gray 552-650), available in the campus bookstore. The APA and MLA guidelines are also available in the online version of this document. Faculty members reserve the right to add to these rules at their discretion. Any addition to the rules will be plainly stated in said faculty member's syllabus. Ignorance of these rules does not constitute innocence and is not an excuse for plagiarism.

17. The term "Complainant" means any person who submits a charge alleging that a student violated this Student Code. In instances when a sexual assault has been reported, the

18. The term "Accused Student" means any student accused of violating this Student Code.

19. The term "notification" means that a reasonable attempt to communicate with a student via the College's student email system any matter between the College and the student. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).

3. All charges shall be presented to the Accused Student in written form. Written notification will be through the Tigermail (the student email system) and, if appropriate, via the permanent address on file with the College. A time shall be set for a Student Conduct Board Hearing, not less than five nor more than fifteen calendar days after the student has been notified. Maximum time limits for scheduling of Student Conduct Board Hearings may be extended at the discretion of the Dean of Students.

4. Student Conduct Board Hearings shall be conducted by a Student Conduct Board according to the following guidelines except as provided by article IV (A)(7) below:

- Student Conduct Board Hearings normally shall be conducted in private.
- The Complainant, Accused Student and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board Hearing at which information is received (excluding deliberations). Admission of any other person to

the Student Conduct Board Hearing shall be at the discretion of the Student Conduct Board and/or its Dean of Students.

- In Student Conduct Board Hearings involving more than one Accused Student, the Dean of Students, in his or her discretion, may permit the Student Conduct Board Hearings concerning each student to be conducted either separately or jointly.
- The Complainant and the Accused Student have the right to be assisted by an advisor they choose, at their own expense. The advisor must be a member of the College community and may not be an attorney. The Complainant and/or the Accused Student is responsible for presenting his or her own information and, therefore, advisors are not permitted to speak or to participate directly in any Student Conduct Board Hearing before a Student Conduct Board. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the Student Conduct Board Hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor.
- The Complainant, the Accused Student and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The College will try to arrange the attendance of possible witnesses who are members of the College community, if reasonably possible, and who are identified by the Complainant and/or Accused Student at least two weekdays prior to the Student Conduct Board Hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.
- Pertinent records, exhibits, and written statements (including Student Impact Statements) may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.
- All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.
- After the portion of the Student Conduct Board Hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one person) whether the Accused Student has violated each section of the Student Code which the student is charged with violating. The Student Conduct Board's

determination shall be made on the basis of whether it is more likely than not that the Accused Student violated the Student Code.

- Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code proceedings.

5. A single verbatim record may be used, such as a tape recording, of all Student Conduct Board Hearings before a Student Conduct Board (not including deliberations). Deliberations shall not be recorded. The record shall be the property of the College. The use of a single verbatim record shall be at the discretion of the Dean of Students.

6. If an Accused Student, with notice, does not appear before a Student Conduct Board Hearing, the information in support of the charges shall be presented and considered even if the Accused Student is not present.

7. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Accused Student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of Vice President for Student Success, or designee, to be appropriate.

B. Sanctions

1. The following sanctions may be imposed upon any student found to have violated the Student Code:

- Warning: A notice in writing to the student that the student is violating or has violated institutional regulations.
- Probation: A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
 - Loss of Privileges: Denial of specified privileges for a designated period of time.
 - Fines: Monetary fines may be imposed.
 - Restitution: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
 - Discretionary Sanctions: Work assignments, essays, service to the College, or other related discretionary assignments.

- Residence Hall Suspension: Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
- Residence Hall Expulsion: Permanent separation of the student from the residence halls.
- College Suspension: Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
- College Expulsion: Permanent separation of the student from the College.
- Revocation of Admission and/or Degree: Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.
- Withholding Degree: The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any.

2. More than one of the sanctions listed above may be imposed for any single violation.

3.(a) Other than College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's disciplinary record. Upon graduation, the student's disciplinary record may be expunged of disciplinary actions other than residence hall expulsion, College suspension, College expulsion, or revocation or withholding of a degree, upon application to the Dean of Students. Cases involving the imposition of sanctions other than residence hall expulsion, College suspension, College expulsion or revocation or withholding of a degree shall be expunged from the student's confidential record five years after graduation or date of last attendance. (b) In situations involving both an Accused Student(s) (or group or organization) and a student(s) claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

4. The following sanctions may be imposed upon groups or organizations:

- Those sanctions listed above in article IV(B)(1)(a)–(e).
- Loss of selected rights and privileges for a specified period of time.
- Deactivation. Loss of all privileges, including College recognition, for a specified period of time.

5. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Code, the sanction(s) shall be determined and imposed by the Dean of Students. In cases in which persons other than, or in addition to, the Dean of Students have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Dean of Students in determining and imposing sanctions. The Dean of Students is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board Hearing, the Student Conduct Board and the Dean of Students shall advise the Accused Student, group and/or organization (and a complaining student who believes s/he was the victim of another student's conduct) in writing of its determination and of the sanction(s) imposed, if any.

C. Interim Suspension

1. Interim suspension may be imposed only: (a) to ensure the safety and well-being of members of the College community or preservation of College property; (b) to ensure the student's own physical or emotional safety and well-being; or (c) if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the College.

2. During the interim suspension, a student shall be denied access to the residence halls and/or to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice President for Student Success, or designee, or the Dean of Students may determine to be appropriate.

3. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Board Hearing, if required.

D. Appeals

1. A decision reached by the Student Conduct Board may be appealed by the Accused Student(s) to a discipline committee within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Dean of Students or his or her designee.

2. Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the Student Conduct Board Hearing and/or supporting documents for one or more of the following purposes:

- To determine whether the Student Conduct Board Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those

allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.

- To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code occurred.
- To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
- To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.

3. If an appeal is upheld by the Discipline Committee, the matter shall be returned to the original Student Conduct Board and Dean of Students for re-opening of Student Conduct Board Hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all involved.

Article V: INTERPRETATION AND REVISION

A. Any question of interpretation or application of the Student Code shall be referred to the Vice President for Student Success or his or her designee for final determination.

B. The Student Code shall be reviewed every year under the direction of the Dean of Students.

In addition, this act was designed to protect the privacy of educational records and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the act. South Georgia State College is in full compliance with the provisions of that legislation.

DISCLOSURE OF EDUCATION RECORDS

South Georgia State College will disclose information from a student's record only with the written consent of the student, except:

administrative, supervisory, academic, research, or support staff position; b) the Chancellor of the University System of Georgia and his staff; or c) a person employed by or under contract to South Georgia State College to perform a special task, such as an attorney or auditor. A College official has a legitimate educational interest if the official is a) performing a task that is specified in his or her position description or by contract agreement; b) performing a task related to a student's education; c) performing a task related to the discipline of a student; d) providing a service or benefit relating to the student or the student's family, such as health care, counseling, job placement, or financial aid.

CORRECTION OF EDUCATION RECORDS

Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. The procedures for the correction of education records are as follows:

- A student must ask the appropriate record custodian to amend a record. In doing so, the student should identify in writing the part of the record to be changed and specify what is inaccurate, misleading, or in violation of his or her privacy or other rights.
- South Georgia State College may comply with the request or decide based on the evidence not to comply. If it decides not to comply, South Georgia State College will notify the student of the decision and advise the student of the right to a hearing to challenge the information believed inaccurate, misleading, or in violation of the student's rights.

- Upon written request, South Georgia State College will arrange for a hearing and notify the student, in reasonable advance, of the date, place, and time of the hearing.
- The hearing will be conducted by a hearing officer who is a disinterested party; however, the hearing officer may be an official of the College. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by one or more individuals, including an attorney.
- South Georgia State College will prepare a written decision based solely on the evidence presented and the reasons for the decision.
- If South Georgia State College decides that the challenged information is not inaccurate, misleading, or in violation of the student's rights, it will notify the student of the right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.
- The statement will be maintained as part of the student's education records as long as the contested portion is maintained. If South Georgia discloses the contested portion of the record, it must also disclose the statement.
- If South Georgia State College decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.

PROCEDURE FOR WRITTEN STUDENT COMPLAINTS

Within the framework of Student Rights and Responsibilities, South Georgia State College students are encouraged to communicate responsibly on matters of concern. The policies and procedures for written student complaints may be found at this link: <http://www.sgc.edu/forms/complaints>.

ALTERNATIVE DISPUTE RESOLUTION

SGSC subscribes to the University System of Georgia's initiative on Alternative Dispute Resolution (ADR). Also known as "mediation," ADR aims to resolve disputes between two persons without a formal grievance procedure or legal action. The goal of such a resolution is to satisfy the needs of both parties in a non-threatening manner in an atmosphere where both sides are expressed and possible solutions to the dispute are developed by the disputants themselves. To arrive at a win-win solution that will satisfy both parties, a certified mediator facilitates the expressions of concern, identifies issues for negotiation, and helps the parties work toward an agreement that can satisfy their needs. This process works very well for most disputes that do not involve criminal activity or academic grades. Further, the positions of the

disputants are of minimal concern. Therefore, disputes between student and faculty member, faculty and staff, student and student, and faculty/staff and administration can be reasonably settled through mediation. For information on Alternative Dispute Resolution (mediation), please contact Academic Affairs at 912-260-4201. Refer to this Handbook for the grade appeal process.

STATEMENT ON EQUAL EMPLOYMENT & EDUCATIONAL OPPORTUNITY

South Georgia State College, in compliance with federal law, implements affirmative action/equal opportunity to all employees, students and applicants for employment, admissions, financial aid, and education services without regard to race, color, gender, sexual orientation, religion, creed, national origin, age, veteran status or disability. This policy is consistent with the requirements and objectives of Executive Order 11246, as amended, Vietnam Era Veterans' Readjustment Act of 1974, as amended (#38 USC 2012), Section 503 of the Rehabilitation Act of 1973, as amended, and their implementing regulations.

SEXUAL HARASSMENT

Consistent with federal law and University System of Georgia policy, sexual harassment of employees or students in the University System is prohibited and shall subject the offender to dismissal or other sanctions. Copies of the Sexual Harassment Policy are available in the Student Success Office and the Office of Human Resources. Procedures for handling complaints of sexual harassment:

A. Informal Process

Conduct that is perceived as sexual harassment by the offended party may result from a lack of awareness of the offended person's sensitivities or from an attitude of general indifference toward the sensitivities of others. If lack of awareness or insensitivity is a factor, the simplest solutions to sexual harassment may be for the offended party to advise the other party that, while he/she might not be aware of this, the offended party finds the other party's conduct (touching, language, graphics, etc.) to be offensive (intimidating, hostile, etc.) and is asking that the other party refrain from this conduct. A repetition of this or similar offensive conduct is a basis for complaint, even where no conditions regarding employment or academic standing have been implied or expressed.

B. Filing of a Complaint

1. A complainant, who is employed by SGSC, wishing to make a formal complaint and have it pursued should file it in writing with the Director of Human Resources. The Director of Human Resources will consult with the appropriate administrative officer(s): (Vice President for

Academic Affairs, Vice President for Student Success, Vice President for Fiscal Affairs, Vice President for Operations, and/or Vice President for External Affairs) to determine the method by which an investigation will be conducted. If the complaint is against the Director of Human Resources, it should be filed in writing with the Vice President for Operations (for Staff), Vice President for Academic Affairs (for Faculty), or the Vice President for Student Success (for Students).

2. Sexual harassment between students, neither of whom is employed by South Georgia State College, should be treated as a disciplinary matter. If such conduct violates College regulations for students, the information should be reported to the Dean of Students.

3. To be considered for review, formal complaints of sexual harassment must be filed within 60 calendar days of the last alleged incident of harassment.

4. The purpose of the investigation is to establish whether there is a reasonable basis for believing that the alleged violation of this policy has occurred. In conducting the investigation, the appropriate administrator may interview the complainant, the accused, and other persons believed to have pertinent factual knowledge. At all times, the administrator conducting the investigations will take steps to ensure confidentiality.

5. The investigation will afford the accused a full opportunity to respond to the allegations. 6. Appropriate administrative officers will act on the findings.

STUDENT EQUITY CONCERNS

All student grievances concerning discrimination based on race, color, gender, sexual orientation, religion, creed, national origin, age, veteran status or disability shall be directed to the Affirmative Action Officer of the College, who is the Director of Human Resources.

Affirmative Action Officer, South Georgia State College
100 W. College Park Drive, Douglas, Georgia 31533-5098
912-260-4377

Upon receipt of a grievance, the Affirmative Action Officer will discuss the grievance with the aggrieved party. Following this conference, the Affirmative Action Officer, aggrieved party and the respondent to the grievance will meet in an effort to negotiate an agreement between the two parties. Should this negotiation fail, the President of the College will appoint an ad hoc committee comprised of three faculty members and two students to investigate the situation and recommend a resolution of the grievance to the President. The decision of the President is final insofar as the institution is concerned. Appeals beyond the local institution may be filed

according to the Board of Regents' Policy Manual. The Vice President for Student Success will provide complete information concerning appeals beyond the local institution.

ALCOHOL AND DRUG PREVENTION PROGRAM

South Georgia State College's alcohol and drug prevention program is designed to promote personal health and success in college. The College conducts a biennial review to ensure compliance with the Drug-Free Schools and Communities Act. For more information, see www.edc.org/hec/dfsca. Consistent with federal and state laws, South Georgia State College is a drug-free workplace. Students receive alcohol and drug information through campus publications and during college orientation programs and campus activities. Related issues are actively explored through courses including health, psychology, sociology, nursing, and criminal justice. Alcohol and drug counseling referrals are offered through the Office of Student Success. Information regarding local, state, or federal laws related to alcohol and drug violations and penalties is published in the South Georgia State College Public Safety Information booklet. This booklet contains Student's Right to Know/Annual Security Report. Printed copies are available in Shannon Hall, and the booklet is online at:

http://www.sgc.edu/president/departments/public_safety/pdf/PublicSafetySecurityReport.pdf

DISABILITY SERVICES GRIEVANCE PROCEDURE

Students who feel that a decision by an Office of Disability Services (ODS) staff member or faculty member does not fully comply with federal disability legislation should follow the appropriate procedure as outlined below:

Students should first meet with the ODS Coordinator and attempt to resolve the problem informally. It is anticipated that most questions will be resolved in this way. However, situations unresolved at the ODS Coordinator's level may be appealed to the Director of Student Life (DSL). The Coordinator of the ODS will assist the student in making an appointment with the (DSL) and will forward materials relevant to the complaint to the DSL. If the student is not satisfied with the decision of the DSL, the DSL will assist the student in appealing to the Dean of Students (DOS). The DOS will meet with the student in an attempt to resolve the complaint. If the student is not satisfied with the decision of the DOS, the DOS will assist the student in appealing to the Vice President of Student Success (VPSS). The VPSS will meet with the student in an attempt to resolve the complaint. If the student is not satisfied with the decision of the VPSS, the VPSS will assist the student in appealing to the Vice President of Academic Affairs (VPAA) and will forward all relevant materials to the VPAA with copies to the ADA Compliance Officer. The VPAA will meet with the student and attempt to resolve the appeal. If the VPAA and the student are not successful, the student will be referred to the ADA Compliance Office, the President and ultimately to the Board of Regents.

RISK MANAGEMENT/ASSUMPTION OF RISK

Students should actively seek information about any risks involved in all of the student activities and college-related events on campus and off campus. Students must sign a release form stating that they are aware of the risks involved and that they carry sufficient insurance for their protection. Waiver and Release forms are available on the website or in the Office of Student Life.

STUDENT VOTING PRIVILEGES

Students are encouraged to vote in all federal, state, and local elections. Consistent with University System policy, a student whose class schedule will otherwise prevent him or her from voting will be permitted an excused absence for the interval reasonably required for voting. It is noted that opportunities for early voting will reduce much of the need for such absences.

FREE SPEECH AREA - A free speech area has been designated by the College to maximize the opportunity for free discussion and expression while minimizing the potential for disruption of classroom and College activities, and interference with the ability of students to obtain an education. Information about and permission to schedule use of the Free Speech Area, located in the green space by the cafeteria but can be relocated to meet the needs of the College, may be obtained through the Office of Student Life in Powell Hall. Requesting individuals or organizations must complete a request form prior to the proposed event at this link: http://www.sgc.edu/student_life/pdf/FreeSpeechPolicy.pdf

CAMPUS SOLICITATION

If a non-profit organization receives permission to contact students, space will be provided in designated areas. Outside organizations, including religious, political, and civic organizations are welcome within these restrictions. Such solicitations must be approved by the Vice President for Student Success. Individuals or off-campus organizations may not solicit students in the residence halls, classrooms, or library.

CAMPUS VISITORS

The South Georgia State College campus, buildings, and facilities are designated for the use of the students, faculty, and staff of the College. Guests of students, faculty, and staff are welcome on the campus and are subject to all campus regulations while visiting the College. Loiterers or visitors whose conduct is in any way detrimental to the safety of students, faculty, and staff and/or operation of the College shall be asked to leave. Also, individuals who refuse to identify themselves to a College faculty or staff member, including public safety officers, shall

be asked to leave the campus. Persons who refuse to respond to this request and/or who return to the campus after having been instructed to leave shall be in violation of state law and shall be subject to arrest.

CHILDREN ON CAMPUS

Children of currently-enrolled students are allowed on campus only with the direct supervision of that parent. Children will not be allowed to roam the campus or be left unattended by their parent(s) at any time in any location.

Students who are parents of unattended children found on campus will be removed from their class to take possession of the children, and may be asked to remove the children from campus if other arrangements cannot be made.

Children may not be present in an academic class or lab. Children are to follow the same rules of reasonable behavior that apply to Waycross College students, and faculty and staff members may request that a child be removed from campus at any time if the child's presence disrupts the learning environment of other students.

SMOKING POLICY – Douglas Campus

Smoking is prohibited in all campus buildings. Campus buildings have designated smoking areas 25 feet from the building entrances.

SMOKING POLICY – Waycross Campus

Waycross College prohibits the use of tobacco products on any property owned, leased or controlled by Waycross College effective April 12, 2010.

The use of tobacco products is widely accepted as a leading cause of avoidable death. The mortality and morbidity of tobacco use has adverse effects among tobacco users and non-users alike including respiratory disorders, heart disease and various forms of cancer. Tobacco smoke contains 4,000 plus chemical compounds, more than 60 of which are known or suspected to cause cancer. People exposed to secondhand smoke absorb nicotine and other toxic chemicals just as smokers do.

Because of deleterious effects of tobacco use, Waycross College has committed to a tobacco-free campus for the purpose of promoting a healthy environment for all persons, including faculty, staff, students, and visitors.

All faculty, staff, students, visitors, vendors, contractors, and all others are prohibited from using any tobacco products (cigarettes, cigars, smokeless tobacco, snuff, chewing tobacco, etc.) while on Waycross College property.
