

FOCUS AREA: SOCIAL SCIENCES

The Social Sciences focus area is designed to allow students to explore various social science fields with an intent to continue their studies after transition into programs in fields such as History or Political Science. The goal of this program is to encourage the development of a strong curricular foundation in the social sciences while allowing the student to explore areas of interest more deeply through a selection of focus classes. Academic advisement for this program is provided by the School of Arts and Professional Studies.
