**PLEASE READ AND SIGN THE CONTRACT. KEEP A COPY OF THE CONTRACT FOR YOUR RECORDS. STUDENTS UNDER THE AGE OF 18 ARE REQUIRED TO HAVE A PARENT, GUARDIAN, OR OTHER GUARANTOR ACCEPT THIS CONTRACT ON THEIR BEHALF.**

THIS IS A LEGAL AND BINDING DOCUMENT WITH FINANCIAL OBLIGATIONS. PLEASE READ CAREFULLY BEFORE ACCEPTING.

**NOTE: Execution of this contract does not guarantee that space will be available in the residence halls.**

### WITNESSETH

WHEREAS, in signing this contract the resident has submitted an application for living accommodations, room and board included in VSU residence halls and whereas, VSU has assigned such accommodations to the resident in VSU residence halls for the academic year or any remaining parts thereof, unless otherwise stated, exempting Acts of God, Strike, Natural Disasters and/or occurrences not under the control of VSU. Now therefore, in consideration of the rents and covenants contained herein, VSU and resident agree as follows:

**\*\*CONTRACT COMMITMENT:** No term or condition of this VSU Housing Contract can be waived and no statement made by VSU or its agents shall be considered a waiver of any term or condition of the Contract, whether expressed or implied.

#### I. CONDITIONS OF OCCUPANCY

Occupancy of VSU housing facilities is contingent upon the exhibition of behavior which is compatible with maintenance of order and propriety. Additionally, the following specific requirements must be met:

- A. VSU cannot make a housing assignment until the resident has been officially accepted by VSU. Full-time VSU students are given priority with housing.
- B. The resident must be a VSU student enrolled for at least six credit hours a semester. Preference for housing assignments will be given to students who are enrolled as full-time, face-to-face students. Dual enrolled high school students are not eligible for housing. Students that drop below 6 credit hours at any time during the academic year cannot continue in campus housing and must reapply.
  - 1. Students receiving permission to live on campus with a completely online schedule are still required to pay all mandatory University fees. Once the housing contract is signed for a completely online student, they may not be approved for exemption or release of contract on basis of an online schedule.

Students participating in the VSU Entry Program through South Georgia State College are also eligible to live on campus in the designated program building. SGSC students must adhere to the same contract and policies as VSU Students.

- C. First year students are required to live on campus unless they apply for and are granted an exemption from the First Year Live on Requirement. The First Year Live on Requirement exemption forms can be completed and submitted online via the Housing Portal. These forms must be completed and signed before the signing of a Housing contract. Therefore, an exemption does not constitute cause for release of contract.
- D. Occupancy is specifically limited to those persons who have signed this housing contract with VSU, and violations of this regulation will result in immediate termination of this agreement by VSU.
- E. The space may be occupied only by the contracting resident(s). No transfer, assignment or subletting of the license granted by this Contract is permitted. Rooms shall not be occupied at any time by more residents than the room is designed to accommodate. Residents may only occupy the space assigned to them and may not occupy multiple spaces in a room, suite, or apartment. An open space may be assigned to a student at any time, therefore vacant space(s) should be kept clean and clear from any personable items at all times.

#### II. PERIOD OF CONTRACT

##### A. FOR STUDENTS LIVING IN BROWN, GEORGIA, HOPPER, LOWNDES, PATTERSON, OR READE:

- 1. The Contract is binding for the entire academic year, August 14, 2023 to May 4, 2024. Approved requests to move in earlier than the published move in date or stay after the published move out date will be considered extensions of this agreement. Summer housing for these halls, if applicable, require a separate application.

- A. Except as provided in Article XII, this contract is for the full academic year. If this contract is terminated before the end of the contract period, the student may occupy his/her

assigned room no later than 24 hours after the student is notified of the termination. These deadlines may be adjusted at the discretion of University Housing. Thus the resident and/or their parent or legal guardian agree that once the housing application, contract, application fee and deposit have been accepted by VSU, the resident will live in VSU residence halls and will pay all residence hall fees during the period of the contract. Residents who withdraw from VSU before completion of the academic year may be released from the contract, subject to the terms below, via notification from the Registrar or other campus departments.

#### B. FOR STUDENTS LIVING IN CENTENNIAL

1. Centennial students have the following Options.

- Centennial Contract Option I
  - This contract is for the period of August 14, 2023 to June 1, 2024.
- Centennial Contract Option II
  - This contract is for the period of August 14, 2023 to August 2, 2024 for those enrolled in summer terms that do not meet in July (Summer Term II and IV).
  - This contract is for the period of August 14, 2023 to July 19, 2024 for those not enrolled in summer terms that do not meet in July (Summer Term II and IV), where students are not enrolled in a class that meets in July. Students who have renewed into the same exact room and are registered for Fall 2024 classes will be exempt from this.
  - The payment for Centennial is made in Fall and Spring semesters, with no additional amount for Summer. Students that are granted a release from their Centennial contract will not receive any portion back.

C. The complete housing application includes a \$100 nonrefundable application fee and a \$150 deposit. The \$100 application payment is a one-time fee, cannot be applied to the payment of room charges, and cannot be transferred to another resident. Students who are re-applying for university housing, have previously lived on campus, and the deposit has not been returned are not required to pay a new application fee or deposit. Students who are re-applying for university, have previously lived on campus, and whose deposit has been returned will be required to pay a new application fee or deposit. Responsibility to show proof of payment of the application fee rests with the resident.

D. A deposit of \$150 is due before the assignment will be made. The deposit will hold a space for the contract year if space is still available. If the Office of Housing and Residence Life is unable to make an on-campus housing assignment, then the \$150 deposit will be refunded to the resident's account.

E. Residents' deposits will be applied to all subsequent contracts, pending no breach of contract, release of contract, and/or good standing with the university. If the resident graduates from Valdosta State University (VSU) and notifies Housing by the 30-day deadline (See XII B), the \$150 deposit, minus any damage or move out expense, will be refunded if no other financial obligations to VSU exist.

F. Residents contracting for housing prior to the first day of the term will be held responsible for payment for the entire term regardless of when they check in.

G. Summer term is a separate contract period, for students not in Centennial Hall. Residents who seek to reside on campus for Summer terms must complete an additional contract.

#### III. ASSIGNMENT OF SPACE

- A. Residence hall space is reserved on a first-come first-served basis. The application completion date is the date in which both the application is complete and the housing application fee and deposit (\$250) are paid.
- B. VSU will assign accommodations according to resident preferences without regard to race, gender, sexual orientation, ethnic or national origin, religion, age, disabled status, or status as a disabled veteran.
- C. VSU does not guarantee an assignment in a specific building or with a specific roommate. Roommate requests that are properly submitted in the online application by April 30th will be honored to the best of our ability, dependent on availability. Roommate requests must be mutual and accepted by all residents involved.
- D. VSU reserves the right to assign or reassign space (with at least 24 hours' notice if possible) for the benefit of an individual resident, living unit, maintenance reasons or to accommodate changes in occupancy patterns.
  - 1. For Centennial residents, we reserve the right to consolidate apartments over the summer or make moves in order to prepare for Fall opening.
- E. Residents who request and are assigned to live in a theme community building agree to abide by any additional policies necessary to maintain the desired environment. If the resident fails to abide by the theme community agreement/expectations, they may be removed from the building and assigned to another room on campus. Priority will be given to the theme community over roommate and hall preference. Unregistering with a theme community does not exempt a student from going through the release of contract process.
- F. If the room occupied is an accessible room and the student is not a student with a disability in need of the accessibility features of the room, the student agrees to transfer to a non-accessible room if the accessible unit is needed for a student with a disability.
- G. VSU reserves the right to assign a student any room available including an accessible room and the student understands and agrees that he/she shall not be entitled to another assignment different from that offered by VSU.
- H. Apartment style rooms are primarily reserved for upperclassmen. A separate agreement is required for apartment residents that will be disseminated during opening by residence life staff.
- I. VSU reserves the right to refuse housing to any resident who is delinquent in the payment of bills to VSU, consistently unable to meet Financial Aid's SAP level, who has demonstrated an unwillingness to abide by VSU Student Code of Ethics and Conduct or published Housing and Residence Life Rules and Regulations, or who exhibits behavior which is incompatible with the maintenance of order and propriety in the residence halls.
- J. If a resident is graduating or transferring at the end of a semester prior to the end of this contract, they must apply to be released from this contract by

submitting the Release of Contract form by the deadline (See XII C). Upon approval, they must properly check-out no later than 24 hours after the start of Commencement if approved on basis of graduation.

#### IV. HOUSING ACCOMMODATIONS DUE TO DISABILITIES

If requesting housing accommodations due to a disability (including medical conditions), the request needs to be reviewed and approved by VSU's Access Office for Students with Disabilities. Students who are planning on applying for an accommodation should select the option in the Housing portal at the time of application. To allow sufficient time for review, supporting documentation must be received a minimum of two months prior to the anticipated occupancy. In the event that the request is approved, the Access Office will notify Housing of the reasonable accommodation(s) necessary. Please note that the Access Office can only notify Housing of the reasonable accommodation approved and is unable to recommend a specific residence hall or room.

Students who are wishing to register an Emotional Support Animal must also contact the Access Office for approval. Please note that ESAs are only permitted in the Residence Halls and not in classrooms. Once the Access Office has approved an ESA, the student must also meet with Housing and Residence Life prior to the animal being permitted in the buildings. All residents living in the same unit as the ESA must agree to the presence of the ESA. If any resident does not agree, Housing will find a new location for the student with the ESA. Also, please note that a rabies vaccination is required for any ESA and that may limit the age of the ESA. For a full list of required vaccinations/shots for an ESA, please contact Housing.

#### V. BOARD (Meal Plan)

All residents are required to sign up for one of the designated board (meal) plans. Food service is provided to the individual resident who will be required to show appropriate identification before receiving each meal. Food service privileges are nontransferable in part or in whole. Residents will be required to sign a board plan contract once they have selected their individual board plan. Residents are not allowed to cook except in designated kitchen areas **and only** when utilizing Office of Housing and Residence Life approved appliances.

#### VI. BREAK PERIODS

- A. The Residence Halls do not close for academic breaks such as Thanksgiving, Winter, and Spring breaks. Students are permitted to stay in their assigned space during this time and only need to inform Housing and Residence Life they will be staying. There is no additional charge to stay during these periods. VSU cannot supply storage for residents' personal belongings between Spring and Summer or Summer and Fall semesters.
- B. During the breaks between semesters, food services are not provided as a part of this contract.

#### VII. RESPONSIBILITY FOR DAMAGE

- A. The resident is responsible for the condition of the room and furnishings which are assigned to them and shall reimburse VSU for all damage to or loss of these accommodations and furnishings. Students have access to the Inventory Report for their assigned room upon checking in and have 48 hours to accept the report or make changes. After 48 hours, the Inventory Report will be marked as accepted and complete.
- B. The resident is responsible for maintaining the cleanliness of their assigned space and shall reimburse the University for all cleaning costs in excess of normal cleaning costs if staff is required, at the University's sole discretion, to clean the assigned space. The resident is also responsible for care of the assigned space and is expected to report any repair needs to University Housing. The resident shall be liable for increased repair costs due to failure to report conditions in need of repair. The resident is responsible for using all University property in a safe, responsible manner and shall be responsible for damages to, and/or repair and replacement of, University property within their room/suite/apartment except for damage and loss from ordinary wear and tear. When the University determines that it is unable to assign liability for such damage, the resident shall share equally with other hall/unit/suite residents the cost of cleaning, repair or replacement of any University property in common areas of the residence hall/unit/suite including, but not limited to, hallways, lounges and laundry rooms.  
  
The University, at its sole discretion, shall determine the amount of any costs for cleaning, loss or damage and shall notify the resident of any such charges. Payment is due upon such notification. Failure to pay assessment will result in the forfeiture of the deposit and/or a hold on the resident's registration, graduation, or issuance of transcript. No existing furnishings may be removed from the room. In the event a student wishes to contest charges for damages or loss, the following procedure is prescribed:
  - 1. Contact in writing the Housing & Residence Life Office and include name, student ID number, assignment, and explanation of why the charges should be removed.
  - 2. This decision may be appealed by submitting a request in writing to the Associate Director.
  - 3. All appeals for damage charges must be received within 30 days of the damage billing communication to be considered.
- C. Community space areas in the residence halls may not be damaged, including walls, hallways, public space furniture, technology, kitchen appliances, light fixtures, and more. When the University determines that it is unable to assign liability for such damage to one responsible person, all residents currently assigned to the space at the time will equally share the applicable charges, including cost of cleaning, repair or replacement of any University property in these areas. The University, at its sole discretion, shall determine the amount of any costs for cleaning, loss or damage and shall notify all impacted residents of any such charges. Attempts will be made to find the person responsible. If unable to do so, the charge will be equally applied to those most likely responsible or the entire hall. These are called community damage charges and cannot be appealed without proof of non presence when the damaging act was committed, roommate agreement in writing that student did not participate in damage or other evidence of not contributing to the damaged property.
- D. For Centennial residents, we will clean space after vacancy of a resident. If the space is left in bad condition when you check out, we will charge, as it is our expectation that a space should be habitable after a checkout. Any excessive cleaning after Housing and Residence Life has done its make-ready process to prepare for new occupancy will result in a \$200 charge to each resident in the apartment who was occupying the space during the make-ready process.

#### VIII. ENTERING A RESIDENT ROOM

VSU shall at all times during the term of this Contract retain legal ownership and ultimate possession and control of resident's room and/or VSU property assigned to such room. VSU reserves the right to maintain and preserve the residence halls. Resident hereby agrees that housing staff and personnel and/or VSU personnel, agents and contractors may enter resident's room at any time for safety inspection, maintenance, cleaning, inventories, epidemic or emergency, to claim VSU property, pest control, occupancy verification, and/or general repair. Resident hereby authorizes VSU personnel to allow access to the resident's room when access is requested by any law enforcement officer possessing a valid search or arrest warrant. VSU reserves the right to remove and hold in storage any items deemed hazardous to the building or its occupants (i.e., explosives, firearms, alcohol deemed illegal, chemicals, open flame burning items, hunting bows, weapons, etc.). VSU reserves the right to enter resident rooms for any other purpose in accordance with VSU policy. The resident is not required to be present at the time of inspection. Resident hereby agrees that authorized personnel may enter resident's room at any time for wellness checks.

**\*\*By statute, Georgia Code Section 31-12-3.2 requires that all students living in campus housing to be informed of the risks and issues regarding meningococcal disease\*\***

## IX. PAYMENT OF CHARGES

The resident agrees to pay room and board fees and other properly billed charges at the time scheduled by VSU. Failure to pay will result in the resident's name being placed in VSU's debt file, which prohibits further enrollment, issuance of transcripts and other records, and may cause the resident to be withdrawn from VSU and/or to be immediately removed from resident housing. Failure to pay may also result in the resident's name being sent to collections. For residents withdrawing or being released from VSU Housing, room and board charges will be pro-rated according to the schedule in the current term's schedule of classes. Program fees, Housing Deposits, and Post Office box charges will not be prorated or refunded.

## X. GUESTS

Residence hall guests are defined as VSU students or individuals who have reached the age of majority (18 years of age). During final exam week at the end of each semester, only VSU students will be allowed as guests. Each guest must be registered with the Office of Housing and Residence Life. All guests are subject to the rules and regulations of VSU during their visit. Residents are responsible for the conduct of their guests. Babysitting services are not permitted. Further, housing space shall not be used for commercial or solicitation purposes.

Please see the full guest policy on the Housing and Residence Life website.

## XI. UNIVERSITY LIABILITY

Although security precautions are taken, VSU does not assume any liability and/or legal obligation to pay for injury to person (including death) or loss or damage to items of personal property which occurs in its buildings or on its grounds prior to, during, or subsequent to the period of this contract. Residents or their parents are encouraged to carry appropriate insurance to cover such losses. VSU requires that all residence hall residents pay the student health fees.

## XII. CONTRACT CANCELLATION & DEPOSIT FORFEITURE BY RESIDENT

Cancellation of this contract does not constitute withdrawal from VSU. Residents who withdraw from VSU will be removed from housing. First year students must apply for and be granted an exemption from the First Year Live on Requirement in order to exempt living on campus. This must be signed and completed prior to the housing contract. Once a contract has been signed, freshmen residency exemption nor online class schedule will be considered as reason for release of contract.

A. Students who seek to be released from their housing contract will need to submit a release of contract form. Students who are not seeking release from contract on the basis of graduating, withdrawing, transferring, study abroad, or credited internship, or academic suspension will need to provide additional documentation to support their claim as it will have to be reviewed by the housing appeals committee.

B. In accordance with the schedule outlined below, a student may choose to cancel this agreement and receive a prorated portion of the deposit. The refund schedule is in effect regardless of when the resident pays the deposit. After occupancy, no portion of the deposit will be refunded.

1. Students who apply for the entire year should recognize this schedule applies, regardless of which semester you are requesting. Those who apply for only Spring semester are subject to this schedule as well.

If a request for cancellation is received more than 30 days prior to the first day of the academic year's classes, the student may cancel their contract and receive a refund of their \$150 housing deposit. The \$100 housing application fee is not refundable.

If a request for cancellation is received more than 15 days but less than 30 days prior to the date of occupancy, a student may cancel their contract and receive a refund of \$75 for the housing deposit. The \$100 application fee is not refundable.

If a request for cancellation is received less than 15 days prior to the date of occupancy or after, no portion of the deposit will be refunded.

If a request for cancellation is received beginning on or after semester start date, the student forfeits their housing deposit (\$150) and they are charged a \$500 cancellation fee.

Students who sign the contract and live on campus during the Fall semester of this contract, but are approved for a release of contract for Spring semester will forfeit their housing deposit of \$150 and will be charged a \$500 cancellation charge.

Students approved for release of contract on the basis of graduation, parental status, withdrawal, military, study abroad, VSU credited internship, or academic suspension (including SAP) will never face cancellation charges and always see a full housing deposit refund.

C. Should a resident withdraw from VSU; this contract may be cancelled. This contract may be cancelled by the resident in the event of marriage, pregnancy and/or birth of a child, military obligations, study abroad, VSU credited internships, official withdrawal from VSU and other reasons determined in the sole discretion of VSU to qualify for termination of the contract. Online class schedule does not constitute as reason for a release of contract. If the resident cancels the contract due to reasons indicated above by the deadline. (See above section C.1.) If the resident requests cancellation of the contract or is approved due to reasons indicated above by the deadlines set (See XII B), they are eligible for refund of housing deposit and no cancellation charges. (See above section B.1.)

1. Any student who is granted a release of contract due to withdrawing or transferring but is found to still be enrolled in classes will have the full charge of their previous housing assignment placed back onto their student account.

D. A resident who is graduating; transferring; or leaving the university to fulfill student internships for VSU academic credit, participants in the Cooperative Education program, or student teachers whose assignments necessitate residency away from the campus, must comply with the contract during the semesters the resident is on campus.

E. A resident who forfeits the privilege to live in the residence halls and who is asked to vacate the room as a result of disciplinary action is not eligible for a refund of any portion of the housing bill or their deposit.

F. All personal property must be removed within 48 hours after a student withdraws, separates from the university, or after the residence halls close for the spring semester. A room-cleaning/removal charge will be assessed against any student who fails to remove their items or personal property within 48 hours of withdrawal or separation. Personal property left in bedrooms, hallways, stairwells, lounges, and other common areas will be considered abandoned property and will be considered property of Housing and may be donated or discarded.

G. Any refunds will be calculated based on the date the resident properly checks-out of the room with VSU staff.

### **XIII. TERMINATION BY VSU**

- A. VSU reserves the right to terminate this contract, serve the resident with written notice to vacate immediately the premises, and take possession of the space at anytime for violation of the contract, residence hall policies and procedures, violation of VSU Code of Ethics and Conduct, noncompliance with rules and regulations of the residence halls, Federal, State and local laws, or VSU policies, for reasons of health or safety, for the purpose of renovation, for false statements or misrepresentation made by the resident in connection with this contract or if the resident exhibits behavior which is incompatible with the maintenance of order and propriety in the residence halls.
- B. If on the first day of classes of each semester, a resident does not occupy the assigned space by 9 AM or if notice of delay in arrival is not filed in writing with the Office of Housing and Residence Life by 9 AM, VSU reserves the right to assign that space to another resident. The right of cancellation in this situation is reserved exclusively by VSU and in no way releases the resident from the obligation to pay for a space in the residence hall.
- C. A resident who fails to occupy the room and remains a VSU student, will be subject to the forfeiture of the deposit and is responsible for the full amount of room and board fees.
- D. Students placed on academic suspension will have their subsequent housing contract canceled and must reapply for housing when their suspension period has expired or they are reinstated to the University.

### **XIV. USE OF FACILITIES**

The University hereby grants the student a limited, nonexclusive, nontransferable and revocable license to use and occupy an assigned room in a residence hall in accordance with the within and foregoing terms and conditions.

This agreement is not intended to create a usufruct or convey any tenancy or other property interest to the resident, the intent being instead to create a licensor/licensee relationship subject to the terms and conditions stated herein.

- A. Upon receipt of a room assignment, this contract guarantees a space (not a particular room) in a residence hall. VSU reserves the right to make assignments, reassignments and temporary assignments as considered necessary. Room changes may not be made without the approval of the Office of Housing and Residence Life. In the event that the accommodations assigned to the resident are destroyed or otherwise not available and VSU does not furnish other accommodations, the contract shall terminate.
- B. The resident agrees to comply with all Federal and State laws, City ordinances, and VSU policies and procedures, including those regarding the possession or use of alcoholic beverages and illegal drugs, and agrees that his/her room shall not be used for any purpose contrary to such. Explosives, firearms or other offensive weapons, fireworks and related items are not permitted in the residence halls. In addition, the resident agrees to evacuate the building during a fire alarm, including but not limited to scheduled fire drills. Fire drills will be held once per semester in conjunction with VSU Environmental and Occupational Safety. Failure to evacuate during a fire drill could result in a fine and/or student disciplinary action.
- C. The use of hotplates, space heaters, extension cords, routers, or window air conditioning units is strictly forbidden. VSU reserves the right to remove any unauthorized or dangerous electrical item. No TV antennas or dishes are permitted outside the residence hall rooms or apartments. In addition to other disciplinary action, residents may be required to remove stereos, musical instruments, or other audio amplification devices from their room. Darts and dart boards are not allowed in the residence halls. Residents shall not hang mops, rugs, etc. from windows or railings or place them outside the residence hall rooms or apartments. This is not intended to be a full list of items not permitted in the residence halls, please see the Housing and Residence Life website for a more detailed list.
- D. Residents are expected to keep rooms and apartments clean. This includes the proper removal of trash from the room/apartment. Trash should not be swept out of doorways or thrown from windows. Facilities for trash disposal are provided outside the residence hall.
- E. Each resident is issued a key to his/her room. Loss of this key or failure to return the key at the time of checkout will result in a charge being assessed for a lost key and/or lock change. VSU reserves the right to charge a lock-out fee when residents are locked out of their room/unit.
- F. No pets (with the exception of non-carnivorous fish) are allowed in the residence halls. Exceptions to this may only be made by the Access Office.
- G. Sales and solicitations, in any form, including religious solicitation, are prohibited unless authorized in writing by the Division of Student Affairs. Door-to-door soliciting, distributing, and/or advertising is prohibited. As all guests must be at least 18 years of age, babysitting is also not permitted in the residence halls. Residents may not allow outside salespersons to conduct any sales, demonstrations, or presentations of a product in their room or in the residence hall without written permission from the Division of Student Affairs.
- H. VSU property, including furnishings, may not be moved from the assigned area within the residence hall without authorization from the Office of Housing and Residence Life. Water filled furniture will not be permitted. Residents will be held responsible for the condition of their room and must pay for any damages to VSU property. VSU reserves the right to determine the amount of the damages and make repairs.
- I. VSU has specific policies regarding check-in, room change, and checkout. Failure to comply with these policies will result in fines being levied against the resident.

- L. All beds will be set to a non-lofted height prior to move-in and bed lofting will begin after the 2nd week of classes by Housing staff. Prior to having a bed lofted, students must complete a work order and sign a release in the Housing Office to accept or decline the installation of a safety rail. Residents are not permitted to loft beds on their own and bed raisers are not permitted in the halls. Beds in Centennial, Georgia, and Hopper will not be lofted due to ceiling fans.
- M. All bathrooms in the residence halls are intended for single occupant use only. At no time should more than one person occupy any bathroom, stall, or shower stall in the residence halls, especially for inappropriate use.

### **XV. GENERAL**

- A. Except as otherwise provided herein, any amendment or exception to the Contract must be approved in writing by the Director of Housing and Residence Life. No other statement or action of other VSU representatives shall be construed to waive or modify any provision of this Contract.

B. Residents who contract for VSU housing are expected to fulfill all provisions of this agreement, and failure to do so may result in the withholding of the resident's grades, transcripts, and registration. If any Section or Subsection of this contract is ruled to be illegal or invalid, this will not affect the validity of enforcement of the remainder of the provision of the contract. If the resident is under 18 years of age, the parents or legal guardian will become a party to this contract and will sign a statement of accepting this responsibility.
