

## **Update on SGSC Instruction/Classes**

South Georgia State College (SGSC) will observe Spring Break next week (March 16th to March 20th), and all classes (both online and face to face) will not be in session during that week. We will resume online instruction only, during the week of March 23rd.

For students currently enrolled in online courses, please be prepared to resume your virtual presence starting the week of March 23rd. We are aware that some students may not have access to the resources that were available to them on campus. The SGSC administration will be working with faculty and staff members to assist students who are adversely affected and need some accommodation.

For students enrolled in face-to-face or hybrid classes, please check your SGSC Student e-mail account during the week of March 23rd for further information from your instructors about these classes.
