An integrated component of Navigate, Navigate Student includes a mobile application that helps students navigate key decisions and a new desktop degree planning tool, Academic Planning, to help them plan and schedule their courses, supporting timely degree completion.

To get started login to Navigate with your university credentials: http://sgsc.campus.eab.com/

Use the Academic Plan tab to review and make suggestions on a student’s academic plan

1. Go to the Student Profile and click on the "Academic Plan" tab
2. Click the "Add Comments or Suggestions" button in the upper right-hand corner
3. Use the "+ Add Term" button to add terms to the student’s academic plan and use the degree template on the left-hand side to plan courses to terms
4. You can move courses, add a flag to leave a comment on a course, and lock courses using the hamburger menu to the left of the course name
5. When you have made all desired changes, use the "Send Suggestions" button in the upper right to send your feedback to the student.

6. **Reminder:** Students need to accept or decline your suggestions. Remind your students about this important step and encourage them to allow notifications from Navigate Students so they do not miss your feedback.

**Tips for Advisors**

- Use the “Search” tab on the left side of the screen to find and add a course that is not listed on a student’s degree template.
- Click the “Feedback History” link in the upper left to see a record of recommendations made to this student and whether a student accepted or declined those recommendations.
- If a student does not need to complete a course on their degree template, use the hamburger menu to the left of the course name on the template to select “Mark as met” and leave a comment.
Searching for Students with Academic Plans

Use Advanced Search to find and outreach to your students for academic planning

With the new Academic Planning tool, you and your students can now collaborate on the course planning process in a digital workspace, leaving more time during in-person meetings for other coaching. Use Navigate to prompt your students to plan courses and leverage Advanced Search to work with them on their academic plans.

How to Search:

- To find students with planned courses: Find the Student has Planned Terms bucket and select a future term
  - Under Course Status, select “Planned.” This will indicate that student has created an academic plan in Navigate. Note: “Scheduled” indicates that student has selected a section time in Navigate, but is not yet registered. Other statuses come from SIS data
  - **Tip:** Use the “Student has Not Planned Terms” field to find and nudge students who need a reminder to get started on creating a plan for next term
- Other search fields:
  - Hours Each Week Spent on: Students can input information about their commitments outside of class (it is not required), but if they do complete this step, it is searchable here
  - Student has Plan Warnings:
    - Advising Hold – Not applicable because holds are not being manually managed in Navigate
    - Non-required Course Planned – If a student has planned a course that is not on their program template
    - Prerequisite Planned Out of Order – If a student has planned a course with a prerequisite out of order
    - Unplanned Dev Requirement – Not applicable because not using developmental courses feature in Navigate

Suggestions for using Navigate features with Academic Planning:

- Create a saved search each term for your students who have not planned courses for next term
- Use Navigate to message students or send them an appointment campaign, include instructions for using AP to plan courses
