PREFLIGHT ACADEMIC SUMMER SESSION

FLY WITH THE HAWKS THIS SUMMER

We invite you to become part of the South Georgia State College Preflight Academic Summer Session (PASS). You'll receive full college credit for completed courses while enjoying a fun-filled summer at SGSC. We're confident this program will ease your transition from high school to college, and it will help you build a strong academic foundation for success.

You'll be enrolled in academic courses on either the Douglas or Waycross Campus, specifically designed for you. Some PASS summer students may be able to select from a broader list of [course offerings](#)

We will respond within
48 hours! Either way,
let us know how we can
help you.

SGSC has **one of the lowest in-state tuition rates** in the nation, but we realize sometimes that is not enough. You can help offset the cost of tuition and fees through **Federal based financial aid**, such as loans and grants. The responsibility for applying in on the student.

Applicants from **Florida, Alabama, Tennessee, and North and South Carolina** can apply for an out-of-state-tuition waiver and **pay the same in-state tuition as Georgia residents** through a new state sponsored initiative to lower the cost of higher education to students from our neighboring states.

If you're spending the summer with us, make sure you complete an Out-of-State Tuition Waiver

We hope you'll decide to **begin your college experience with us** by living on the Douglas Campus in our fully furnished semi-suites complete with amenities such as:

Wi-Fi | on-site laundry room | cable TV | 24/7 campus security as well as a summer meal plan.

In addition to getting to know the campus and local community, faculty and staff, interacting with other students and making new friends, we know you'll appreciate these PASS benefits:
